Board Mission

The mission of the Kansas Board of Pharmacy is to ensure that all persons and entities conducting business relating to the practice of pharmacy in this state, are properly licensed and registered in order to protect the public's health, safety and welfare and promote the education and understanding of pharmacy related practices.

Please Note: The Kansas Board of Pharmacy may address agenda items out of sequence to accommodate persons appearing before the Board or to aid in the efficiency or effectiveness of the meeting.

Public comment is welcomed by the Board, but will be heard only when that item on the agenda is reached and will be limited to five minutes per person. The chairperson may allow additional time to a given speaker as time allows and in his sole discretion.

Administrative hearings could be in open or closed session, depending on each individual case so portions of the hearing may not be in open session.

Any individual with a disability may request accommodation in order to participate in the public hearing portion of the meeting or the regular Board of Pharmacy meeting. Requests for accommodation to participate should be made at least five working days in advance of the meeting by contacting Mitzi Dodds at mitzi.dodds@pharmacy.ks.gov or at (785) 296-8717. Handicapped parking is available in the parking lot directly in front of the entrance on East Harry Street.
