Case No. 16-005

SUMMARY ORDER OF DENIAL

NOW on this 13<sup>th</sup> day of January, 2016, comes before the Kansas Board of Pharmacy (the “Board”), through its Investigation Member, the application of Leslie Campos (the “Applicant”) for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Investigation Member enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

FINDINGS OF FACT

For purposes of this order, the Board’s Investigative Member makes the following findings of fact:

1. On August 17, 2015, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. As part of Applicant’s Application she answered “No” to the question: “Have you ever been cited, charged with, or convicted of the commission of any crime; offense; or violation of the law in any state or by the federal government, even if those charges were dismissed, suspended, diverted, or expunged?” The application form directs that if the applicant

answers yes, the applicant “must provide a notarized written detailed explanation of the circumstances.”

3. No detailed written statement was provided with Applicant’s Application.

4. The background report provided to the Board by the Kansas Bureau of Investigation reports the following criminal activity for Applicant:

a. December 2009 – Applicant was convicted of Speeding and Driving while license cancelled/suspended/revoked. Applicant was convicted and her license was suspended for 30 days, she was sentenced to probation for a six-month period, and she was fined.

b. November 2011 – Applicant was arrested for Driving while license cancelled/suspended/revoked. In August 2013, Applicant was convicted and her license was suspended for six months and she was fined.

5. Applicant failed to disclose her entire criminal history to the Board.

6. As part of Applicant’s Application, she certified that the information provided was true, correct and complete and that she understood that withholding relevant information was grounds for denying her application.

7. On August 25, 2015 and November 18, 2015, representatives of the Board wrote Applicant requesting a detailed written statement and/or additional court documentation concerning her criminal history.

8. On December 14, 2015, Applicant contacted the Board office by phone and stated she would provide the requested documentation. To date, the requested documentation has not been received and there has been no additional contact from Applicant.

CONCLUSIONS OF LAW

9. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

10. That the Board may take action against the license of a pharmacist for unprofessional conduct or professional incompetency as set forth in K.S.A. 65-1627(a)(3).

11. That K.S.A. 65-1626(ccc)(1) defines unprofessional conduct to include fraud in securing a registration.

12. That pursuant to K.S.A. 65-1627(a)(1), the Board may take action against the license of a pharmacist if a license was obtained by fraudulent means.

13. Applicant's failure to disclose her criminal history identified in paragraphs 4 above is an attempt to obtain a registration by fraud and is a basis to deny Applicant's Application.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application is hereby DENIED.
