

## HOUSE BILL No. 2030

AN ACT concerning the administration of vaccines; reports relating thereto; amending K.S.A. 2016 Supp. 65-1635a and repealing the existing section.

*Be it enacted by the Legislature of the State of Kansas:*

Section 1. K.S.A. 2016 Supp. 65-1635a is hereby amended to read as follows: 65-1635a. (a) A pharmacist or a pharmacy student or intern who is working under the direct supervision and control of a pharmacist may administer influenza vaccine to a person six years of age or older and may administer vaccine, other than influenza vaccine, to a person ~~18~~ 12 years of age or older pursuant to a vaccination protocol if the pharmacist, pharmacy student or intern has successfully completed a course of study and training, approved by the accreditation council for pharmacy or the board, in vaccination storage, protocols, injection technique, emergency procedures and recordkeeping and has taken a course in cardiopulmonary resuscitation (CPR) and has a current CPR certificate when administering vaccine. A pharmacist or pharmacy student or intern who successfully completes such a course of study and training shall maintain proof of completion and, upon request, provide a copy of such proof to the board.

(b) All vaccinees will be given a written immunization record for their personal files. The administering pharmacist or pharmacist supervising an administering pharmacy student or intern shall promptly report a record of the immunization to the vaccinee's primary care provider by mail, electronic facsimile, e-mail or other electronic means. If the vaccinee does not have a primary care provider, then the administering pharmacist or pharmacist supervising an administering pharmacy student or intern shall promptly report a record of the immunization to the person licensed to practice medicine and surgery by the state board of healing arts who has entered into the vaccination protocol with the pharmacist. The immunization will also be reported to appropriate county or state immunization registries, *except that if the person vaccinated or, if the person is a minor, the parent or guardian of the minor, objects to the report, the report shall not be made.*

(c) A pharmacist, pharmacy student or intern may not delegate to any person the authority granted under this act to administer a vaccine.

(d) As used in this section, "pharmacist" means a pharmacist as defined in K.S.A. 65-1626, and amendments thereto, who has successfully completed a course of study and training, approved by the accreditation council for pharmacy or the board, in vaccination storage, protocols, injection technique, emergency procedures and recordkeeping and has taken a course in cardiopulmonary resuscitation (CPR) and has a current CPR certificate.

(e) This section shall be a part of and supplemental to the pharmacy act of the state of Kansas.

New Sec. 2. (a) On and after July 1, 2020, physicians and other persons authorized by law in this state to administer vaccines shall report the administration of a vaccine to a person in this state to the state registry maintained for such purpose by the secretary of health and environment in a manner and form as may be required by the secretary, except that if the person vaccinated or, if the person is a minor, the parent or guardian of the minor, objects to the report, the report shall not be made.

(b) As used in this section, "physician" means a person licensed to practice medicine and surgery.

Sec. 3. K.S.A. 2016 Supp. 65-1635a is hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.

I hereby certify that the above BILL originated in the HOUSE, and passed that body
