

Terica Gatewood PharmD

Terica Gatewood PharmD has been employed with Genoa Healthcare since 2014. She currently serves as the Associate Director of Talent Acquisition and is responsible for university relations and sourcing of leadership candidates throughout the organization. Her past experience with Genoa also includes, serving as the pharmacy site manager within Valeo Behavioral Health Center in Topeka.

Terica received her Doctor of Pharmacy from the University Of Kansas School Of Pharmacy in 2007. She has been a pharmacy preceptor for the university since 2014, receiving the Preceptor of the year award in 2016- 2017 for instruction and leadership. Terica attends yearly student events at the university to lecture on pharmacy practice, legislative issues and the pharmacist's role in community mental health centers.

Terica served as a board member for the Kansas Pharmacist Association as the district 2 Director for two years. She is the current Government Affairs Chair for the organization where she helps organize legislative events, conducts committee calls and oversees grass roots and member initiatives. Terica has advocated on pharmacy and mental health issues before legislative committees in both the Kansas House and Senate.

Terica is involved in several community organizations including NAMI of Kansas and the Kansas Mental Health Coalition. She helps organize Genoa pharmacy teams to raise funds to support mental health during the annual NAMI Walk Kansas. Terica is also involved in supporting Valeo and their mission to help individuals and their families in the Topeka Community.
