Case No. 19-006

**SUMMARY ORDER**

NOW on this 10 day of April, 2019, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Denaë Bachtel, (“Respondent”).

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the investigation materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

**FINDINGS OF FACT**

For purposes of this order, the Board’s Executive Secretary makes the following findings of fact:

1. The Board has previously issued Respondent Pharmacy Technician Registration number 14-13354, authorizing her to perform the functions of a pharmacy technician in the State of Kansas (“Respondent’s Registration”).
2. On or about October 22, 2018, Respondent informed the Board that she had been arrested on November 17<sup>th</sup>, 2017 for driving while intoxicated. Respondent indicated that this resulted in an August 29, 2018 conviction for this offense for which she received two years of probation.

3. On February 25, 2019, the Board requested Respondent provide a Personal History Form S-150 explaining the offense, as well as certified court documents for the case.

4. On March 14, 2019, the Board received the requested Personal History Form S-150 and court documents, as well as a letter of recommendation from a pharmacist supervisor.

5. The terms of Respondent's court-ordered probation are as follows:

- Respondent is on probation from August 30, 2018 until August 30, 2020;
- Respondent shall obey all Federal, State, and local laws, shall notify the court and her Probation Officer within 48 hours of any change of address, and shall have no repeat convictions of the same violation during the probationary period;
- Respondent shall pay all supervision fees, court costs, and fines as ordered by the court;
- Respondent shall attend two different alcohol-related classes by March 1, 2019; and
- Respondent shall not drive within 24 hours of consuming alcohol.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any misdemeanor involving moral turpitude and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

4. Pursuant to K.S.A. 65-1626(tt), unprofessional conduct means conduct likely to deceive or harm the public.

5. Respondent's misdemeanor conviction for driving while intoxicated is a basis to place Respondent's registration in a probationary status pursuant to K.S.A. 65-1627(a)(2), as she is still on probation and therefore, unable to show that she has been sufficiently rehabilitated to warrant the public trust at this time.

6. Respondent's arrest and conviction for driving while intoxicated is unprofessional conduct and a basis to place Respondent's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

#### ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent's Pharmacy Technician Registration is hereby placed on PROBATION for a period of two years. The terms of Respondent's probation are as follows:

- Respondent must continue compliance with the terms of her court-ordered probation;
- Applicant must notify the Board of any change in her court probation status within 10 days of the change;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;

- Respondent must inform employers of the probationary status of her pharmacy technician registration;
- Respondent must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board and provide this documentation to the Board within 10 days of the effective date of this Order; and
- Respondent must comply with all rules and regulations of the Pharmacy Practice Act.

#### NOTICES

Respondent is hereby notified as follows:

7. Respondent may request a hearing pursuant to the Kansas Administrative Procedure Act by filing a written request with the Kansas Board of Pharmacy, 800 SW Jackson, Suite 1414, Topeka, KS 66612-1231 within fifteen (15) days after service of this order.

8. If a hearing is not requested as described above, the Order shall become a final order of the Board, effective upon the expiration of the time to request a hearing.

9. Within fifteen (15) days after entry of a final agency order, either party may file a petition for reconsideration pursuant to K.S.A. 77-529.

10. Within the time limits established in K.S.A. 77-613, either party may seek judicial review of a final agency order, pursuant to said statute. The agency officer designated to receive service of a petition for judicial review is
