RE: *In the Matter of April R. Bagby*  
Case No. 18-312

Dear April R. Bagby:

The Kansas State Board of Pharmacy has concluded its audit of continuing education for your recent renewal and determined that you are noncompliant. During the audit, the Board sent repeated requests for documentation to your mailing and email address of record and received no response. As a result, your pharmacy technician registration is being revoked. Please read the enclosed Summary Order in its entirety, which provides details about the violations and revocation and will be reported to the National Association of Boards of Pharmacy.

If you dispute the facts or legal basis for the action and wish to request a hearing regarding this matter, please reference the section titled "Notices" in the Order and promptly take action. Please be aware that if you request a hearing and the Board prevails, you will be required to pay the costs of the hearing.

Please note that when you submitted your renewal, you certified that you had completed all continuing education necessary to renew your license. Failure to complete that continuing education constitutes a misrepresentation on your renewal application. The Board takes this matter very seriously, but has opted not to take action on that finding for this audit year.

If you have questions, please email [pharmacy.compliance@ks.gov](mailto:pharmacy.compliance@ks.gov) and reference your case number.

Sincerely,

Kansas State Board of Pharmacy

#### CONCLUSIONS OF LAW

9. Pursuant to K.S.A. 65-1663(f)(1), the Board may limit, suspend or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground, which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

10. Pursuant to K.S.A. 65-1627(a)(9), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent failed to comply with the continuing education requirements of the Board for license renewal.

11. Pursuant to K.S.A. 65-1627(a)(15), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent failed to furnish the board, its investigators or its representatives any information legally requested by the Board.

12. Pursuant to K.A.R. 68-5-18, 20 hours of continuing education shall be required for renewal of a pharmacy technician registration during each registration period, which must be obtained in the two-year registration period ending on the October 31 expiration date of each registration.

13. Pursuant to K.S.A. 65-1658, in addition to any other penalty imposed by the Pharmacy Practice Act, the Board may assess a civil fine for a violation of K.S.A. 65-1627(a), in an amount not to exceed \$5,000 for each violation.

14. Respondent was required to provide proof of completion of 10 hours of continuing education earned between September 1, 2015 and October 31, 2017.

15. By only having 0 hours of continuing education, Respondent failed to complete the required 10 hours of continuing education for renewal of Respondent's pharmacy technician registration in violation of K.A.R. 68-5-18.

16. Respondent's failure to supply the Board with the requested documentation regarding proof of continuing education is a violation of K.S.A. 65-1627(a)(15).
