Dear Ms. Crawford:

Enclosed you will find a Summary Order issued by the Kansas Board of Pharmacy (Board) in the above-referenced matter. Please read the order in its entirety.

If you disagree with the findings of fact, you have the right to request a hearing. Instructions for filing a written request are included under the "Notices" section of the order. Hearings are held before the full Board during their regularly scheduled quarterly meetings.

If you wish to waive your right to request a hearing, you may do so in writing (email or mail) which will enable the Board to issue your registration immediately.

Case No. 20-281

**SUMMARY ORDER**

NOW, on this 5th day of November 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Deborah Crawford, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On August 14, 2020, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant

must attach a Form S-150: Personal History (“Form S-150”). Applicant’s Form S-150 included a forthcoming statement and was accompanied by relevant court documents.

3. On August 24, 2020, Applicant’s Form S-150 and court documents were forwarded to the Board’s individual license evaluator (“Evaluator”) for review.

4. Applicant’s Form S-150, court documents, and background report detailed several charges against Applicant: a January 2012 DUI charge, for which she successfully completed diversion, and July 2018 charges of a second DUI and transporting an open container, for which she is currently serving probation on a restricted license.

5. The Board’s Evaluator noted that Applicant is still under her court-ordered probation, and has not yet completed her online rehabilitation course.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any felony or misdemeanor of gross immorality or moral turpitude, and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

4. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

5. Applicant's DUIs are a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(2), as she is still under the probationary agreement for her 2018 DUI, and therefore, unable to show that she has been sufficiently rehabilitated to warrant the public trust at this time. Furthermore, there has not been a sufficient period of time since Applicant's most recent offense to demonstrate a pattern of lawful and compliant behavior necessary to ensure the protection of the public.

6. Applicant's repeated DUI offenses are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

#### ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of her court diversion agreement;
- Applicant must notify the Board of any change in her diversion status within 10 days of the change;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of her pharmacy technician registration;
- Applicant must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and

- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
