Case No. 20-266

**SUMMARY ORDER**

NOW, on this 29th day of October 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Destiny Ford, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On October 1, 2020, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “No” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. Though Applicant has answered “No” to the above question, she did include a forthcoming Form S-150 and supporting court documents, which detailed that she had been charged with misdemeanor domestic battery on May 16, 2020. Applicant’s Form S-150 and court documents further detailed that she had pled guilty to the charge, and was granted 12-months deferred judgment, to be concluded on August 3, 2021. The conditions of the deferred judgment include payment of fines, 6-months reporting probation, completion of a 13-week domestic violence anger management program, and completion of drug and alcohol evaluation recommendations.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any felony or misdemeanor of gross immorality or moral turpitude, and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

4. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

5. Applicant’s battery plea of guilty is a basis to place Applicant’s registration in a probationary status pursuant to K.S.A. 65-1627(a)(2), as she is still under the deferred judgement

agreement and therefore, unable to show that she has been sufficiently rehabilitated to warrant the public trust at this time.

6. Applicant's battery incident is unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).
