BEFORE THE KANSAS BOARD OF PHARMACY

In the Matter of
Ankeyta White, Pharmacy Technician
Kansas Permit No. 14-11873

Case No. 14-21
OAH No. 15BP0025

FINAL AGENCY ORDER

Statement of Case

This matter comes on for hearing before the Kansas Board of Pharmacy (Board) on its notices to the respondent, Ankeyta White, to show cause why action should not be taken against her pharmacy technician registration due to her failure to comply with the Stipulation and Consent Order entered on January 15, 2015.

The hearing in this matter was held on July 17, 2015. Appearing for the Board were: Vice President, Chad Ullom, R.Ph.; and members, James Garrelts, PharmD; Michael Lonergan, R.Ph.; David Schoech, R.Ph.; John Worden, PharmD; and Cheri Pugh, Public Member.

Randall J. Forbes appeared as the Board’s disciplinary counsel.

The respondent did not appear, notwithstanding, notices were sent to her and were not returned as undeliverable.

Findings of Fact

1. On January 15, 2015, a Stipulation and Consent Order (Consent Order) was entered into by the Board and the respondent.
2. As part of the Consent Order, the respondent was required to submit to random drug screening through the Kansas Pharmacists Association Committee on Impaired Pharmacy Practice Program (CIPP) for a period of no less than 365 days. The Consent Order required the respondent to remain in strict compliance with the requirements of the drug screen program during this entire period.

3. The Consent Order also provided that the respondent acknowledged and agreed that any violation of the Consent Order would constitute a willful violation of a lawful Board order and would be grounds for further disciplinary action against her.

4. On June 8, 2015, Sara Rust-Martin, Director of Operations, Kansas Pharmacists Association, sent a letter to Debra Billingsley, Executive Director of the Board, advising that the respondent had not called in as required on six occasions after March 24, 2015, and had not completed requests for urine drug screens on Sunday, May 17, 2015, and Wednesday, June 3, 2015.

5. On June 11, 2015, a notice was sent to the respondent by the Board advising her that a show cause hearing regarding her compliance with the Consent Order was scheduled for July 17, 2015 at 9:00 a.m. A corrected notice was sent on June 12, 2015; however, the time and date of the show cause hearing remained the same.
6. The notices specifically provided that “[a]ny party who fails to attend or participate in the hearing . . . may be held in default pursuant to K.S.A. 77-520 and the Board may conduct further proceedings necessary for adjudication with the participation of the Respondent.”

7. As stated above, the respondent did not appear.

**Conclusions of Law and Discussion**

1. Initially, the Board finds that pursuant to K.S.A. 77-520, the respondent was in default for failing to appear at her hearing. However, the Board’s ruling is also based on her failure to comply with the Consent Order.

2. Pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on the ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. The respondent entered into the Consent Agreement on January 15, 2015, with the understanding that her failure to comply with the requirements set forth therein could result in the Board taking further disciplinary action against her. She failed to comply, as required, and failed to appear and offer any explanation for her failure to do so.
Order

Based upon the foregoing, the Board unanimously voted that revocation of the respondent's registration as a Kansas pharmacy technician is warranted.

IT IS SO ORDERED.
