Case No. 06-25

**AGENCY ORDER**

HYVEE PHARMACY #1532 is currently licensed as a pharmacy in the State of Kansas by reason of the Kansas Board of Pharmacy (the "Board") having issued license no. 2-09299. At all times relevant hereto, the Respondent has held a current license to operate a pharmacy in the State of Kansas.

The Board has received certain information, has investigated and has determined that there are reasonable grounds to believe that the Respondent has operated in a manner that violates the Kansas Pharmacy Act, K.S.A. 65-1626 *et seq.*

After considering the foregoing, the Board's Investigation Member, in accordance with the authority granted to her by the Board, enters the following agency order.

**I. FINDINGS OF FACT**

For purposes of this order, the Board's Investigation Member makes the following findings of fact:

1. The Board has previously issued Respondent license number 2-09299 which entitles it to function as a pharmacy in the State of Kansas ("Respondent's Registration").

2. That on February 1, 2006 a routine inspection was conducted whereby an individual by the name of Leyia Cannon was listed as a pharmacy technician on the board displayed in the pharmacy. There was no record that this individual had taken the pharmacy technician test or had registered with the Board of Pharmacy. That employees in the pharmacy admitted that the Respondent was employed as a pharmacy technician and had conducted pharmacy technician duties. ("Investigation Report")

## **II. CONCLUSIONS OF LAW AND FACT**

For purposes of this order, the Board's Investigation member makes the following conclusions of law and fact:

1. That the Respondent was originally issued a license number on August 5, 1999 pursuant to K.S.A. 65-1643.
2. That pursuant to K.S.A. 65-1627 (e) (1) the Board may revoke, suspend, or place in a probationary status or deny a renewal of the registration of a pharmacy upon a finding that (1) Such pharmacy has been operated in such a manner that violations of the provisions of the pharmacy act of the state or the rules and regulations of the board have occurred in connection therewith.
3. That K.S.A. 65-1663 (h) states in part, "it is the responsibility of the supervising pharmacist to determine that the pharmacy technician is in compliance with the applicable rules and regulations of the board."
4. That K.S.A. 1663 (a) states that it shall be unlawful for any person to function as a pharmacy technician in this state unless such person is registered with the Board as a pharmacy technician.

## ORDER

Based upon the foregoing findings and conclusions, Respondent is hereby assessed a fine in the amount of \$500 for permitting a pharmacy technician to function in the prescription area without being registered . Said fine is due and payable to the Kansas Board of Pharmacy within 30 days of receipt of this Order.
