Case No. 24-168

SUMMARY ORDER

NOW, on this 27th day of March, 2024, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Jaclyn Alexander, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On December 14, 2023, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant

must attach a Form S-150: Personal History (“Form S-150”). Applicant provided a blank, signed S-150 with Applicant’s Application.

3. On January 8, 2024, the Board received a completed S-150 from Applicant indicating she was charged with DUI in April 2023 and domestic violence in November 2023.

4. On January 31, 2024, the Board mailed Applicant a letter requesting certified copies of the court pleadings from each case.

5. On or about March 4, 2024, the Board received the requested documentation, which indicated Applicant had been enrolled in pretrial supervision for the domestic violence offense and had entered into a 12-month diversion agreement in November 2023 for the DUI offense.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(vv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

4. Applicant’s April 2023 DUI offense and November 2023 Aggravated Assault and Domestic Battery offense are unprofessional conduct likely to harm the public, especially in the pharmacy setting. Furthermore, the recentness of these offenses and the recent and ongoing engagement in diversion and pretrial supervision programs indicate that Applicant has not yet

demonstrated rehabilitation from these offenses and requires additional oversight and supervision. These are bases to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-YEAR probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of their court diversion and supervision agreements;
- Applicant must notify the Board of any change in their diversion or court supervision status within 10 days of the change;
- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change;
- Applicant must respond to the Board's regular check-in requests;
- Applicant must inform employers of the probationary status of their pharmacy technician registration;
- Applicant must obtain the signature of their pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
