Case No. 21-060

**SUMMARY ORDER**

NOW, on this 18th day of May 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Teresa Coleman, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On January 14, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “NO” to the following question on her application: *Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application directs that if the applicant answers “YES”, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. On or about January 25, 2021, the Board received information regarding criminal charges laid against Applicant from 1992 through 2015, for such offenses as battery, possession of opiates, of hallucinogenics, and of drug paraphernalia, disorderly conduct, theft, and child abuse.

4. On January 25, 2021, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

5. On March 8, 2021, the Board received the requested documentation. Applicant noted that she had failed to disclose the charges in her application due to having “truly forgotten” them. Applicant also included several letters of support from former colleagues, as well as educational documentation.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

4. Applicant’s historical disregard for the law and her failure to initially recall any of this criminal history are unprofessional conduct, as so are bases on which to place Applicant’s registration in a probationary status pursuant to K.S.A. 65-1627(a)(3). The potential harm of

Applicant's repeatedly breaking laws and endangering the public may place the pharmacy community at risk.

5. To prevent harm, the issuance of any registration to Applicant should be carefully supervised and scrutinized to ensure the protection of the public.

### ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:
