Case No. 20-305

**SUMMARY ORDER OF DENIAL**

NOW, on this 23rd day of December 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Damaris Corrales (“Applicant”), for application for a Kansas pharmacy technician registration.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order:

**FINDINGS OF FACT**

1. On March 5, 2020, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. As part of the application, Applicant answered “Yes” to the question: *Have you ever been convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. Applicant attached a Form S-150 in which she briefly noted a March 2019 possession of marijuana, amended in December 2019 to misdemeanor possession of paraphernalia. Applicant included no court documentation supporting these charges.

4. The Board received information regarding additional charges of October 2018 DUI, November 2018 domestic battery, and a non-verifiable misdemeanor in July 2019.

5. On March 20, 2020, the Board sent a letter to Applicant's physical address of record requesting a more thorough Form S-150 detailing *all* charges, as well as certified copies of the court pleadings to support each case.

6. Subsequently, the Board received additional information, regarding an April 2020 charge of use/possession with intent to use drug paraphernalia into the human body, alongside three other non-verifiable offenses.

7. On May 4, 2020, as the Board had not yet received a response from Applicant, the Board sent a second letter to Applicant's email address of record again requesting a more thorough Form S-150, to include the April charges, as well as certified copies of all supporting court pleadings for each case.

8. On October 6, 2020, the Board mailed a Final Notice to Applicant's physical address of record again requesting this information.

9. To date, the Board has not received a more thorough Form S-150, nor any court documentation, nor any correspondence from Applicant.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663 the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy

technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. That pursuant to K.S.A. 65-1627 (a)(15), the Board may take action against the license of a pharmacist if the licensee has failed to furnish the board, its investigators or its representatives any information legally requested by the board.

3. Applicant's failure to supply the Board with the requested documentation is a violation of K.S.A. 65-1627(a)(15) and a basis to deny Applicant's Application.

#### ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application is hereby DENIED.
