Case No. 16-074

**SUMMARY ORDER OF DENIAL**

NOW on this 5<sup>th</sup> day of August, 2016, comes before the Kansas Board of Pharmacy (the "Board"), through its Investigation Member, the application of Erica Jenkins (the "Applicant") for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Investigation Member enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

FINDINGS OF FACT

For purposes of this order, the Board's Investigative Member makes the following findings of fact:

1. On or about April 5, 2016, the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").
2. As part of Applicant's Application she answered "Yes" to the question: "Have you ever been cited, charged with, or convicted of the commission of any crime; offense; or violation of the law in any state or by the federal government, even if those charges were dismissed, suspended, diverted or expunged?" The application form directs that if the applicant

answers yes, the applicant “must provide a notarized written detailed explanation of the circumstances.”

3. Applicant disclosed several traffic infractions dating, including speeding and driving without a license or insurance.

4. Applicant did not include an explanation of the circumstances surrounding the charges she disclosed.

5. In addition to the above offenses, the background report provided to the Board by the Kansas Bureau of Investigation indicated Applicant had multiple felony charges for possession of a controlled substance, ranging from 2005 to 2007.

6. The background report also indicated that Applicant had an attempted trafficking of a controlled substance felony charge from 2005.

7. While Applicant did disclose some of her criminal charges, she failed to report her entire offense history to the Board.

8. As part of Applicant’s Application, she certified that the information provided was true, correct and complete and that she understood that withholding relevant information was grounds for denying her application.

9. On May 11, 2016 and June 22, 2016, a representative of the Board wrote Applicant, indicating the results of Applicant’s criminal history report and requesting Applicant provide additional court documentation concerning all of her felony offenses. To date, Applicant has not provided the Board with the requested documentation.

10. On or about July 24, 2016, the Board received an updated criminal history report for Applicant including a traffic offense of driving with a suspended license from July 22, 2016.

## CONCLUSIONS OF LAW

11. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

12. That the Board may take action against the license of a pharmacist for unprofessional conduct or professional incompetency as set forth in K.S.A. 65-1627(a)(3).

13. That K.S.A. 65-1626 (ccc)(1) defines unprofessional conduct to include fraud in securing a registration.

14. That pursuant to K.S.A. 65-1627 (a)(1), the Board may take action against the license of a pharmacist if a license was obtained by fraudulent means.

15. That pursuant to K.S.A. 65-1627 (a)(2), the Board may take action against the license of a pharmacist if the licensee has been convicted of a felony and hasn't shown sufficient rehabilitation.

16. That pursuant to K.S.A. 65-1627 (a)(15), the Board may take action against the license of a pharmacist if the pharmacist "has failed to furnish the board, its investigators or its representatives any information legally requested by the board."

17. Applicant's failure to disclose the offense history identified in paragraphs 5 and 6 above is an attempt to obtain a registration by fraud and is a basis to deny Applicant's Application.

18. Applicant's failure to respond to the Board's request for documentation regarding Applicant's offense history is a basis to deny Applicant's Application.

19. Applicant's updated criminal history report demonstrates a pattern of behavior consistent with insufficient rehabilitation.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application is hereby DENIED.

Applicant is hereby notified as follows:
