Case No. 20-244

SUMMARY ORDER

NOW, on this 24th day of September 2020, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Luke Marx, ("Applicant"), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On June 19, 2020, the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").

2. Applicant answered "No" to the following question on his application: "Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors." The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History ("Form S-150").

3. The Board received information regarding February 2013 charges of possession of both hallucinogenics and paraphernalia, a March 2013 charge of paraphernalia with intent to use, and an August 2015 charge for purchase/possession/consumption of alcohol by a minor.

4. On July 7, 2020, the Board sent to Applicant, at his email address of record, a request for a completed Form S-150, as well as certified copies of the court pleadings from each case.

5. On or about July 30, 2020, the Board received the requested documentation. Applicant's personal statement and court records documented that Applicant took full responsibility for all charges, having successfully completed court diversions for each. Additionally, Applicant admitted to his questionable judgement which led to the incidents, and stated moral and professional growth since the time of the most recent incident.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

4. Applicant's possession charge history, his oversight of failing to include such history on his application, and his admission of questionable past judgements are bases for which to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER
