SUMMARY ORDER

NOW on March 18, 2024, comes before the Kansas State Board of Pharmacy through its Executive Secretary (hereinafter referred to as the "Board") the matter of Debra Miller (hereinafter referred to as "Respondent").

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the provisions of the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board enters this Summary Order in the above-captioned matter. After reviewing the renewal materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions, and order:

FINDINGS OF FACT

1. On or around 10/9/2023, Respondent submitted a renewal application for Respondent's Kansas pharmacy technician registration.
2. At the end of the renewal application, Respondent agreed to the following statement prior to submitting the completed renewal application: "I hereby attest that I have completed all continuing education hours required by law to renew my license."
3. Respondent's renewal application was selected for an audit to provide proof of Respondent's continuing education certificates or a transcript of completion of required hours.
4. Respondent provided proof of 0 hours of continuing education to renew Respondent's pharmacy technician registration.

CONCLUSIONS OF LAW

5. Pursuant to K.S.A. 65-1663(f)(1), the Board may limit, suspend or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground, which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

6. Pursuant to K.S.A. 65-1627(a)(9), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent failed to comply with the continuing education requirements of the Board for license renewal.

7. Pursuant to K.A.R. 68-5-18, 20 hours of continuing education shall be required for renewal of a pharmacy technician registration during each registration period, which must be obtained in the two-year registration period ending on the October 31 expiration date of each registration.

8. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action any pharmacist license upon a finding that Respondent renewed or attempted to renew a license by false means, including misrepresentation.

9. Pursuant to K.S.A. 65-1658, in addition to any other penalty imposed by the Pharmacy Practice Act, the Board may assess a civil fine for a violation of K.S.A. 65-1627(a), in an amount not to exceed \$5,000 for each violation.

10. Respondent was required to provide proof of completion of 20 hours of continuing education earned between November 1, 2021 and October 31, 2023.

11. By only providing proof of completion of 0 hours of continuing education, Respondent failed to complete the required 20 hours of continuing education for renewal of Respondent's pharmacy technician registration, in violation of K.A.R. 68-5-18.

12. Respondent falsely attested on the renewal application that Respondent had completed all continuing education hours required by law to renew Respondent's Registration, in violation of K.S.A.

65-1627(a)(1). Though material, the Board makes no finding about whether Respondent's misrepresentation was intentional.

13. The role of the Board is to protect the citizens of Kansas. The Board regards the failure to comply with the continuing education requirements as a serious issue. Given the number of home-study, web-based, and live programs available, achieving the hours required each biennial renewal period cannot be viewed as a burden. Without continued investment in pharmacy education, the vision of quality pharmacy providers in Kansas will not be met. In order to provide safe, effective, and high quality healthcare for Kansas patients, the practice of pharmacy requires lifelong improvement and education.

ORDER

Based on the foregoing findings of fact and conclusions of law, the Board orders the following:

For Respondent's violation of K.S.A. 65-1627(a)(9) and K.A.R. 68-5-18, a fine is assessed in the amount of \$100. **Therefore, Respondent shall submit a check or money order in the amount of \$100 to the Board by April 18, 2024.**

Furthermore, an additional two hours of continuing education will be required for each hour of missing or falsified continuing education. **Respondent shall complete 40 hours of additional ACPE-approved continuing education and provide proof of completion to the Board by May 17, 2024.** If Respondent is not already signed up for the NABP CPE monitor (free version), Respondent shall create an NABP CPE monitor profile and shall ensure that proof of completion of these penalty hours and all future required continuing education appears in the CPE monitor. Completion of penalty hours shall not count toward Respondent's next continuing education renewal requirement.
