Case No. 20-309

**SUMMARY ORDER**

NOW, on this 11th day of January 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Shenae Parker, (“Applicant”), for her renewal application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the renewal materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On October 23, 2020, the Board received Applicant’s renewal application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The renewal Application directs that if an applicant answers yes, they must provide a Form S-150 Personal History (“Form S-150”).

3. On her Form S-150, Applicant provided a forthcoming statement noting a felony domestic assault and unlawful use of a weapon in July 2019, charges for which she continues to serve out a three-year court probation. Applicant also provided letters of recommendation, certification of anger management completion, and a print out of the public charge information.

4. On October 28, 2020, the Board emailed a letter to Applicant's email address of record requesting certified copies of the court pleadings to support the case.

5. On or about November 23, 2020, the Board received the requested court documentation. Applicant's personal statement and documents showed personal responsibility and remorse, progress towards rehabilitation, and a committed support system. The court documents confirmed that the weapon charge had been dismissed and that Applicant is serving court-ordered probation until December 2022 for the suspended imposition of a domestic assault sentencing.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive, defraud, or harm the public.

4. Applicant's incident of felony assault with a weapon is unprofessional conduct that places the public at potential risk and a basis to place Applicant's registration in a

probationary status pursuant to K.S.A. 65-1627(a)(3). Furthermore, Applicant is still on probation and therefore, unable to show that she has been sufficiently rehabilitated to warrant the public trust at this time without additional supervision and oversight.

#### ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for renewal of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of her court probation;
- Applicant must notify the Board of any change in her court probation status within 10 days of the change;
- Applicant must notify the Board of any further arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of her pharmacy technician registration;
- Applicant must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of his probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
