Case No. 21-201

**SUMMARY ORDER**

NOW, on this 25th day of October 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Kinley Patterson, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On July 9, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “NO” to the following question on her application: *Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application directs that if the applicant answers “YES”, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. As part of the application, Applicant certified that the information she provided was true, correct, and complete to the best of her knowledge. Applicant's Form S-150 statement had been left blank in accordance with her "NO" answer to the disciplinary question.

4. On or about July 14, 2021, the Board received information regarding charges laid against Applicant in January 2021 for use/possession with intent to use drug paraphernalia, DUI, and transporting an open container.

5. On July 22, 2021, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from the case.

6. On or about August 23, 2021, the Board received from Applicant the requested documents. Applicant's statement and documents noted that she had selected "NO" on her application due to the charges having been dismissed by the arresting officer. As prosecution had also been declined, Applicant noted that the charges stand unresolved. Applicant also outlined that, though she had been drinking prior to driving, the paraphernalia and open container found in her car belonged to others who were previously in the car, friends she noted who made poor decisions and guided her in the wrong direction.

#### CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the State Board of Pharmacy.

2. Pursuant to K.S.A. 65-1663, the Board may limit any registration as a pharmacy technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may place on probationary status and discipline the license of any pharmacist who has attempted to obtain a license by false or fraudulent means, including misrepresentation of a material fact.

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found by the Board to be guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct includes conduct likely to deceive or harm the public, or fraud in securing a registration.

6. Applicant answered “NO” to the criminal offense questions on the Application, despite the fact that she had been charged with criminal offenses in January of 2021.

7. Applicant’s failure to disclose her criminal charges on her application, after having certified as to its completeness, is a misrepresentation of material fact and a basis to impose a civil fine and place on probationary status any registration granted to Applicant pursuant to K.S.A. 65-1658, 65-1626(uuu), and 65-1627(a)(1).

8. Applicant’s misrepresentation in seeking to secure her registration is a basis to place in a probationary status any registration granted to Applicant, pursuant to K.S.A. 65-1627(a)(3) and 65-1626(uuu). It may also be noted that Applicant described having allowed her peers to hold sway over her decision-making which, combined with the high-pressure work environment of the pharmacy setting, may present a potential risk to the public.

9. To prevent harm, the issuance of any registration to Applicant should be carefully supervised and scrutinized to ensure the protection of the public.

## ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED, SUBJECT TO A 2-YEAR PROBATIONARY STATUS AND THE PAYMENT OF A \$200 FINE, for the violations. Applicant has 30 days from the date of this order to pay the fine and the registration will be issued upon receipt. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any change in court status within 10 days of the change;
- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
