Case No. 22-153

SUMMARY ORDER

NOW, on this 29th day of June 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Amber Perez-Guerra, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On April 4, 2022, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In conjunction with Applicant's Application, Applicant provided an S-150 and court documents with the following information: 2001 convictions for non-person felony burglary, misdemeanor possession of stolen property, aiding a felon, obstructing the legal process, and contributing to a child's misdemeanor offenses, for which Applicant served two months in jail and five years probation; a 2005 felony theft conviction; two 2010 contempt of court offenses; a March 2014 domestic battery conviction; and a June 2014 assault and battery conviction (domestic).

4. Applicant reports to have worked in Pharmacy since 2015 and to have received court-ordered anger management classes. Applicant indicated she is embarrassed and remorseful for early actions.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

4. Applicant failed to demonstrate consciousness of the seriousness of the original misconduct and to accept responsibility. The Board considered the length of time since the misconduct occurred (last offense in 2014).

5. Applicant's felony and misdemeanor offenses are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 3-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
