Case No. 21-029

SUMMARY ORDER

NOW, on this 13th day of April 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Kylie Pham, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On March 1, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. Applicant provided information regarding a July 2020 DUI arrest, a copy of her pretrial diversion agreement, and letters of recommendation. Applicant expressed remorse for her actions and is in compliance with her six-month diversion agreement. The pharmacist-in-charge for Applicant's offered pharmacy technician position provided a letter of support.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

4. Applicant's DUI is a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3), as she is still under the diversion agreement and therefore, unable to show that she has been sufficiently rehabilitated to warrant the public trust at this time. Additionally, the recency of this offense supports placing Applicant under the careful supervision of a pharmacist-in-charge aware of her legal status.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of her court diversion agreement as well as any other court-imposed requirements;
- Applicant must notify the Board of any change in her diversion status within 10 days of the change;
- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of her pharmacy technician registration;
- Applicant must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
