BOARD OF PHARMACY

SUMMARY ORDER OF DENIAL

NOW on this 18th day of November, 2015, comes before the Kansas Board of Pharmacy (the "Board"), through its Investigation Member, the application of Jonathan C. Riley (the "Applicant") for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Investigation Member enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order:

FINDINGS OF FACT

For purposes of this order, the Board's Investigative Member makes the following findings of fact:

1. On June 22, 2015 the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").
2. As part of the Applicant's Application he answered "No" to the question: "Have you ever been cited, charged with, or convicted of the commission of any crime; offense; or violation of the law in any state or by the federal government, even if those charges were dismissed, suspended, diverted or expunged?" The application form directs that if the applicant

answers yes, the applicant “must provide a notarized written detailed explanation of the circumstances.”

3. The Applicant’s Criminal History provided to the Board by the Kansas Bureau of Investigation showed that in 2007 he had been arrested for driving under the influence of alcohol or drugs, later entered into a diversion agreement regarding that charge, and that in 2011 he was convicted of an unspecified drug offense.

4. As part of the Applicant’s Application he certified that the information provided was true, correct and complete and that he understood that withholding relevant information was grounds for denying his application.

5. On September 17, 2015 a representative of the Board wrote Applicant indicating the results of Applicant’s criminal history report and requesting Applicant to provide a detailed explanation as required by the application form. Applicant has never provided the Board with the detailed explanation required by the application form and requested in the September 17, 2015 letter.

CONCLUSIONS OF LAW

6. That pursuant to K.S.A. 65-1663 the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

7. That the Board may take action against the license of a pharmacist for unprofessional conduct or professional incompetency as set forth in K.S.A. 65-1627(a)(3).

8. That K.S.A. 65-1626 (ccc)(1) defines unprofessional conduct to include fraud in securing a registration.

9. That, pursuant to K.S.A. 65-1627 (a)(1), the Board may take action against the license of a pharmacist if a license was obtained by fraudulent means.

10. That, pursuant to K.S.A. 65-1627 (a)(15), the Board may take action against the license of a pharmacist if the pharmacist “has failed to furnish the board, its investigators or its representatives any information legally requested by the board.”

11. The Applicant’s failure to disclose the criminal charge, diversion and conviction identified in paragraph 3 above, is an attempt to obtain a registration by fraud and is a basis to deny Applicant’s Application.

12. The Applicant’s failure to respond to the requests by a representative of the Board for a detailed explanation regarding Applicant’s criminal history is a basis to deny Applicant’s Application.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant’s Application is hereby DENIED.

The Applicant is hereby notified as follows:
