Case No. 19-536

SUMMARY ORDER

NOW, on this 16th day of March 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Meshayla Ross, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On November 12, 2019, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “No” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. The Board received information regarding March 2016 charges against Applicant for possession of drug paraphernalia and possession of marijuana.

4. On November 27, 2019, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

5. On December 27, 2019, the Board received Applicant's court documents, but no completed Form S-150.

6. On January 30, 2020, the Board mailed Applicant a second letter requesting a completed Form S-150.

7. On February 28, 2020, the Board received Applicant's completed Form S-150.

8. Applicant's statement and court records indicated Applicant entered into a six-month court diversion agreement which outlined the payment of fines, attendance at drug and alcohol class, and completion of community service hours. Applicant's diversion agreement was completed on December 28, 2016.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(1), the Board may place in a probationary status the license of any pharmacist upon finding that the licensee has attempted to obtain a license by false or fraudulent means, including misrepresentation of a material fact.

3. Applicant's failure to disclose her possession charges or subsequent diversion agreement in her November 2019 application is a misrepresentation of material fact, and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(1).

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

6. Applicant's possession of marijuana and drug paraphernalia, which occurred less than four years ago, is unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of her pharmacy technician registration;
- Applicant must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
