Case No. 21-274

SUMMARY ORDER

NOW, on this 24th day of January 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Shane Sanchez, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On October 8, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “NO” to the following question on his application: *Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application directs that if the applicant answers “YES”, the applicant must attach a Form S-150: Personal History (“S-150”).

3. As part of the application, Applicant certified that the information he provided was true, correct, and complete to the best of his knowledge.

4. Subsequently, the Board received information regarding criminal charges laid against Applicant for the offenses of reckless driving and a DUI in 2002, another DUI incident in 2006, and a public nuisance offense in 2014.

5. On October 12, 2021, the Board sent a letter to Applicant's address of record requesting a completed S-150 on the incidents as well as certified court pleadings from each case.

6. On November 10, 2021, the Board received the requested documents from Applicant. Applicant's S-150 and court documents detailed that, concerning the 2002 DUI and reckless driving charges, the latter charge had been dropped, while he was convicted of the former and successfully completed a six-month probation. Applicant completed a one-year probation for the 2006 DUI offense, and accepted a plea for the 2014 charge, serving diversion. Applicant documented that all three of the incidents in question involved his consumption of alcohol. Also included was Applicant's apology for having misinterpreted the Application question.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the Pharmacy Act of the State of Kansas or any other rules or regulations of the State Board of Pharmacy.

2. Pursuant to K.S.A. 65-1663, the Board may take action on an application for issuance of any registration as a pharmacy technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may discipline the license of any pharmacist who has attempted to obtain a license by false or fraudulent means, including misrepresentation of a material fact.

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(vvv), unprofessional conduct includes conduct likely to deceive or harm the public, or fraud in securing a registration.

6. Applicant did not disclose any of his criminal incidents on his initial Application despite the fact that he had undergone probation, diversion, and conviction.

7. Applicant's failure to disclose his criminal history on his application, after having certified as to its completeness, is a misrepresentation of material fact and a basis to impose a civil fine against any registration granted to Applicant pursuant to K.S.A. 65-1627(a)(1) and 65-1658.

8. Applicant's DUI and nuisance incidents are bases to place any registration granted to Applicant in a probationary status pursuant to K.S.A. 65-1627(a)(3), as the potential harm of repeatedly breaking laws and endangering the public may place the pharmacy community at risk. Furthermore, Applicant demonstrated no consciousness of the wrongfulness of his behavior or its potential for endangerment of the public. Though some time has elapsed since the most recent incident, of some concern are the nature and history of Applicant's alcohol use, in light of the innate stressors involved in and focus required for carrying out the duties of a pharmacist.

9. To prevent harm, the issuance of any registration to Applicant should be carefully supervised and scrutinized to ensure the protection of the public.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED, SUBJECT TO A 2-YEAR PROBATIONARY STATUS AND THE PAYMENT OF A \$500 FINE, for the violations. Applicant has 30 days from the date of this order to pay the fine. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any change in his court status within 10 days of the change;
- Applicant must notify the Board of any further arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of his pharmacy technician registration;
- Applicant must obtain the signature of his pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
