ORDER DENYING PETITION FOR RECONSIDERATION

On March 7, 2018, the Kansas Board of Pharmacy considered Respondent's Petition for Reconsideration of the Summary Order of Revocation entered December 21, 2017, said Petition for Reconsideration being filed on January 10, 2018. Respondent failed to timely request a hearing on the Summary Order of Revocation, which therefore became a Final Order of the Board on January 8, 2018, effective upon the expiration of the time to request a hearing. Pursuant to K.S.A. 77-529(a) and (b), the Kansas Board of Pharmacy denies Respondent's Petition and determines not to reconsider the Final Order in this matter.

As such, the Summary Order of Revocation entered on December 21, 2017, and effective as a Final Order of the Board on January 8, 2018, shall remain in effect, including all findings and conclusions therein and the order revoking Respondent's technician registration in Kansas.

Within the time limits established in K.S.A. 77-613, either party may seek judicial review of the Final Order, pursuant to said statute. The agency officer designated to receive services of a petition for judicial review is:

3. On November 6, 2017, the Board requested that Applicant submit a completed Personal History Form S-150 and explain her recent arrest.

4. On November 13, 2017, the Board received a completed S-150 from Applicant, wherein she explains that she concedes to the recent arrest, and that she used marijuana once every two months, but would stop doing so in the future.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. That pursuant to K.S.A. 65-1627(a)(2), the Board may deny the granting of a license to a licensee who fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may deny the granting of a license to an Applicant who has been found guilty of unprofessional conduct.

4. Pursuant to K.S.A. 65-1626(sss), unprofessional conduct means conduct likely to deceive or harm the public.

5. Applicant's marijuana arrest and admission to recent use in the past, and lack of evidence of rehabilitation, is unprofessional conduct and a basis to deny Applicant's Application for failure to comply with K.S.A. 65-1627(a)(2) and K.S.A. 65-1627(a)(3).

6. Applicant's past regular illicit drug use poses a danger to the public in the pharmacy setting, and is a basis to deny Applicant's Application.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for renewal of pharmacy technician licensure is hereby DENIED.
