Case No. 22-182

SUMMARY ORDER

NOW, on this 26th day of July, 2023, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Adam Wilson, (“Respondent”), for reinstatement of her suspended Kansas pharmacist license.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. The Board has previously issued Respondent License No. 1-101020 which entitled Respondent to practice as a pharmacist in the State of Kansas.
2. On August 31, 2022, the Board agreed to a Stipulation and Consent Order with Respondent, incorporated herein by reference, suspending Respondent’s License for a period of not less than one year, and requiring enrollment in the Kansas Pharmacist Recovery Network (KsPRN) for a five-year period. Pursuant to the Order, Respondent was eligible to apply for reinstatement of Respondent’s License to probation status after successful completion of at least one year of clean drug tests, as required by KsPRN.

3. On July 7, 2023, the Board received a letter from KsPRN indicating Respondent was in full compliance with the terms of the Stipulation and Consent Order related to KsPRN and had completed the requisite one year of clean drug tests. The KsPRN recommended Respondent be released from suspension.

CONCLUSIONS OF LAW

1. The Stipulation and Consent Order is herein incorporated by reference.
2. Respondent has completed one year of clean drug tests and is currently in good standing with the KsPRN program.
3. The Board concludes that Respondent has complied with the provisions of the Stipulation and Consent Order necessary for requesting release from suspension.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent is released from the suspension imposed on Respondent's Kansas Pharmacist License by the Stipulation and Consent Order, subject to the remaining terms, conditions and restrictions set forth in the Consent Order. Respondent's License shall be placed on probationary status through the remainder of the terms of the Order.
