Case No. 20-217

SUMMARY ORDER

NOW, on this 18th day of June 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Lakeisha Wilson (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On May 14, 2020, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.”

3. Applicant's Application included supporting court documentation which detailed that Applicant is currently serving a two-year probation on suspended imposition of sentence for a March 2019 arrest for driving while intoxicated, to which she plead guilty.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

4. Applicant's decision to drive while intoxicated is conduct likely to harm the public, and as unprofessional conduct, is basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3). Furthermore, Applicant has not sufficiently demonstrated her rehabilitation from such offense based on the fact that she is still completing her two-year probationary period.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of her court probation;

- Applicant must notify the Board of any change in her probationary court status within 10 days of the change;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
