Reconvene: Ms. Gilstrap reconvened the meeting at 1:06pm.

Investigative Member Report – Closed Cases

Dr. Shirley Arck asked for any questions. Dr. Arck said that these cases represent a lot of work by a lot of good people.

Board Discussion**Meth Precursor Task Force Update**

Mike Coast told the Board about the first meeting and listed the members of the Task Force. The Task Force elected Mr. Coast as Chairperson. One of the problems faced by the pharmacies is that some of the computers are not Windows based at point of sale. The next meeting is Tuesday October 7, 2008 at 1:30pm at the KBI Office located at 17th and Topeka Blvd. in Topeka.

Prescription Drug Monitoring Program Advisory Committee Update

Karen Braman reported on the Advisory Committee's first meeting. The Advisory Committee elected Ms. Braman as Chairperson. Ms. Braman asked for the Board's feedback on the PMP Matrix as to other questions that should be asked of other states regarding their PMP program as the Advisory Committee explores other programs and best practices. The next meeting is October 9, 2008 from 2-4pm in Topeka at the Capital.

Scheduling of N-Benzylpiperazine or BZP

The Board discussed the scheduling of BZP based on the Geary County Attorney's Office request submitted by Assistant County Attorney Tony Cruz regarding the requirement of K.S.A 65-4105a. The Board tabled further action until Mr. Forbes finds the required wording for the motion.

Unused Medication Act Regulations Update

JoAnne Gilstrap and Frank Whitchurch serve on this committee. Ms. Gilstrap reviewed the discussion from the committee meeting. A form needs to be created for the donating and receiving of medications. Ms. Gilstrap and Mr. Whitchurch complimented the work done by Lane Hemsley. Ms. Braman brought up the Safety Net clinics and the controlled substances they may be dispensing and how this will affect the required reporting under the prescription drug-monitoring program. They also discussed making sure that all dispensing safety net clinics be registered with the Board as required by the Pharmacy Act. Draft forms for the donation and acceptance will be completed by Mr. Whitchurch by the December 3, 2008 meeting.

Recess: Ms. Gilstrap declared a break for 10 minutes

Reconvene: Ms. Gilstrap reconvened the meeting at 2:15pm.

Scheduling of N-Benzylpiperazine or BZP

A motion was made and seconded to schedule BZP, n-benzylpiperazine, including its salts and isomers and salts of isomers, as a Schedule I controlled substance on an emergency basis pursuant to K.S.A. 65-4102(e) because the drug, unscheduled, presents an imminent hazard to the public safety. The motion further moved to adopt a temporary regulation, pursuant to K.S.A. 77-422, scheduling N-Benzylpiperazine, including its salts and isomers and salts of isomers, as a Schedule I controlled substance based upon the finding that preservation of the public place, health, safety, and welfare necessitate and make desirable putting this rule and regulation into effect prior to the time it could be put into effect if the Board were to comply with the notice, hearing and publication requirements of Kansas law and prior to the effective date prescribed by K.S.A. 77-426. (Coast/Kirk). Motion passed.

Foreign Graduate Regulation

Ms. Billingsley requested the Board look at the regulations for foreign graduates and to make the requirements more stringent. Ms. Billingsley recommends redrafting the regulation to require the FPGEE, TOEFL, and TSE with scores consistent with NABP before they would be able to receive an intern registration. Ms. Billingsley and Mr. Forbes will draft the regulation and send it to Department of Administration. The Board will review at the October meeting.

Budget

Ms. Billingsley presented a spreadsheet listing Board of Pharmacy income to the Board. There was discussion that the 2010 budget will need to include a request for additional people and space for the PMP and meth precursor programs that the Board is responsible for administering, but which haven't been funded by the Legislature. The Board requested Ms. Billingsley provide information on annual expenses so the complete budget could be reviewed. The Board directed Ms. Billingsley to send the Board the annual expenses and a copy of the submitted budget by October 22, 2008.

DEA E-prescribing Proposed Rules

The Board discussed the DEA's proposed rules for E-prescribing and the deadline for public response of Sept. 25. Ms. Braman went to a round table discussion at the NABP/AACP District 6,7,8 meeting regarding the proposed rules. There was a great deal of discussion regarding the burden the proposed rules place on individual pharmacies and potentially on regulatory agencies. For example, the authentication process that will be required such as "in person identity proofing". Another requirements is that any retail pharmacy accepting controlled substance e-scripts must have in their system an internal audit tracking system. This could be costly for many Kansas pharmacies. Mr. Witchurch stated the hubs might be responsible for some of these requirements. Ms. Gilstrap asked the Board for comments to respond to the DEA. The Board supports e-prescribing, but has concerns about the burden the proposed regulations place on pharmacies and regulatory entities.

Institutional Drug Room Regulations

Mr. Forbes needs consensus on the rewriting of the Institutional Drug Room regulations. Ms. Billingsley emailed the regulation proposals for review. The Board tabled the issue until tomorrow.

Criminal Background Checks

Ms. Billingsley provided the Board of Healing Arts statute on criminal background checks to the Board. The consensus of the Board is to pursue a statute for the Board of Pharmacy

that will allow background checks for technicians and pharmacists. Ms. Kirk suggested the Board develop parameters for the use of the background checks. The Board requested that Ms. Billingsley follow up and get the proposed bill to the Reviser's Office by October 22, 2008

Approval of New Pharmacist and Registrants

Mr. Coast questioned if Stark Apothecary and Stark Elder Apothecary was a duplicate entry. The two facilities had a change of ownership and created two entries. A motion was made and seconded to approve the new licenses and registrations. (Coast/Braman) Motion passed.

Staff Reports

Melissa Martin – Ms. Martin provided the Board with an update of the CVS counseling computer enhancements. The system will track which employees are involved in the prescription process. The system has been tested in two of the stores and will be rolled out to all the stores in the future. The Board expressed concern that CVS has not complied within the time given in the consent agreement.

Reyne Kenton - Ms. Kenton informed the Board that the Epi-Pen issue has been raised again. The Board said they needed to monitor if this issue goes to the legislature.

Jim Kinderknecht - Mr. Kinderknecht gave the Board a news article on the case he was involved with in Watertown, New York. The case involved Hogan's Pharmacy and a New York physician signing the prescriptions.

Carly Haynes – Ms. Haynes provided a copy of the survey that the Board had sent out with the 2001 renewals.

Tom Frazier – Mr. Frazier told the Board that complaints are still coming in about Hogan's Pharmacy. Mr. Frazier met with the Veterinary Board about a rebate case involving one of our distributors and a Veterinarian.

Adjourn: Ms. Gilstrap adjourned the meeting - to resume tomorrow at 8am

Wednesday, September 24, 2008

Members Present: JoAnne Gilstrap, R.Ph., President; Karen Braman, R.Ph., Vice-President; Shirley Arck, Pharm. D, Investigative Member; Michael Coast, R.Ph.; Frank Whitchurch, R.Ph.; and Nancy Kirk, public member.

Staff Present: Debra Billingsley, Executive Secretary; Jim Kinderknecht, R.Ph., Pharmacy Inspector; Tom Frazier, R.Ph., Pharmacy Inspector; Carly Haynes, R.Ph., Pharmacy Inspector; Melissa Martin, Compliance Officer; Reyne Kenton, Compliance Officer; Christina Morris, Assistant Executive Director; and Randall Forbes, General Counsel.

Others Present: See attached listing.

Meeting Called to Order: President JoAnne Gilstrap called the meeting to order at 8:13am.

Board Discussion

Internet Issues / Internet Prescribing

The Board discussed the proposed regulation K.A.R. 68-2-20, *Pharmacist's function in filling a prescription*, and the Virginia Law. Ms. Billingsley has been in discussion with the Board of Healing Arts. Dr. Arck read the proposed compounding regulation for patient/physician/pharmacist relationship. The proposed K.A.R. 68-2-20 approaches the patient/physician relationship from the pharmacists' perspective. Ms. Gilstrap suggested a task force be formed. Ms. Kirk and Mr. Whitchurch will be on the task force to meet with the stakeholders to formulate language for the proposed regulation change. The task force is to complete its task by October 22, 2008.

Telepharmacy Regulations Update

The Board discussed the proposed telepharmacy regulations K.A.R. 68-2-16, 68-17-1, 68-17-2, 68-17-3, 68-17-4, 68-17-5, 68-17-6, 68-17-7, 68-17-8, 68-17-9, 68-17-10 and 68-17-11. Concerns were tech ratio and exclusion to stock any controlled substances. Board consensus is to move forward in the process. Mr. Forbes will send to Department of Administration and Attorney General's office. Results will be reported at the December meeting.

Reconvene: Ms. Gilstrap reconvened the meeting at 9:30am.

Proposed Regulations and Legislation

Telepharmacy for Hospitals Task Force

Mr. Coast and Nancy Kirk will serve on the Task Force. Mr. Coast will recruit the members and will have a meeting before October 22, 2008. The Task Force will have proposed regulations by the December meeting.

Strategic Planning

Ms. Billingsley was directed to arrange for a meeting room for a day meeting on October 22, 2008.

Term Limits of Board Members

The Board discussed the term limits of Board members. The proposal is to increase to 4 years per term with 2 terms maximum. The Board discussed increasing the number of members to an odd number. The Board wants a Legislative Task Force to work with Senator Vicki Schmidt and Representative Don Hill. JoAnne Gilstrap, Frank Whitchurch and Mike Coast will be on the committee. The task force will research other states and plan to meet with the senator and representative in November around the 12th.

Annual Inventory of Controlled Substances (Hydrocodone)

The Board proposed changing the regulation to require yearly inventories with absolute counts for hydrocodone products. Mr. Forbes will write the proposed regulation.

Immunizations

The Board discussed the proposal of a pharmacy group to decrease the age to 14 for pharmacist administered vaccines and to delete the age requirement for flu vaccines. The legislative task force will monitor and provide assistance to the legislators on the immunization administration changes. Barb Woods stated that none of the pharmacists trained by KU have been trained for pediatric immunizations. There was also discussion of requiring re-certification or training for pharmacists administering vaccine. Currently, once a pharmacist is certified, there are no future updated training or re-certification requirements.

Continuing Education

Mike Coast, Karen Braman and Carly Haynes will meet on or before October 22, 2008 to discuss and propose how the Board will recognize continuing education from non-ACPE providers.

Via Christi – Remote Order Entry

Jim Garrelts and Saad Ehtisham gave a presentation on telepharmacy on behalf of Via Christi. Janell Moerer, Mark Gagnon, and Morley Healy were also present to represent Via Christi. Frank Masters was in attendance to represent Mt. Carmel Regional Medical Center. Charles Eisenberg represented Mercy Regional and Steve Romans represented Salina Regional Health Center.

Saad Ehtisham is on the Insurance Commission's task force on telemedicine. Mark Gagnon volunteered to be on the hospital telepharmacy task force. The meeting date will be posted on the Pharmacy Board website.

Lincoln County Pharmacy – Telepharmacy

The Board discussed the Lincoln County Pharmacy proposal. They propose two sites, the distance is too great for one of the sites, and they want controlled substances. The Board

will write a letter to Lincoln County Pharmacy and enclose the proposed regulations for their review.

Institutional Drug Room Regulations

The Board discussed how to clarify the regulation to fit only jails and juvenile detention facilities. Labeling requirements would be like K.A.R 68-7-14 for any drugs dispensed FROM the facility. Mr. Forbes will make the changes and send to Department of Administration.

Task Force for Disaster Planning

Mr. Whitchurch will serve on the Disaster Planning Task Force. KPhA does have a task force looking into disaster planning. KDHE also has a state employee that will serve as a contact. Frank will contact Susan Kang, Assistant Secretary for Policy and External Affairs to find out who the KDHE contact person is for disaster planning.

Compounding Regulations

Dr. Arck gave an update regarding where the compounding regulations were in the process and what progress had been made to bring them to a public hearing.

Board Reports

Shirley Arck – Dr. Arck thanked the compliance officers, inspectors, Ms. Billingsley, and Ms. Morris for work done on the investigative cases. Currently we have 115 cases and the number is increasing.

Frank Whitchurch – Mr. Whitchurch requested the Board reconsider classification of pharmacies, which was placed in the parking lot for further discussion. Mr. Whitchurch stated that the Board needs to look at the prescription label in reference to the doctor/prescriber.

Karen Braman – Ms. Braman requested the Board provide feedback on the PMP Matrix for interviewing other state PMPs by Monday September 29, 2008. She reported on the NABP/AACP Districts 6,7,8 meeting, including a presentation made by ISMP on preventing medication errors. The presentation included recommendations on what items/areas inspectors could or should be looking for during inspections to prevent medication errors. ISMP provides a free self-assessment to pharmacies to help set up their systems to reduce medication errors. District VI will send two representatives, including Frank Whitchurch, to the annual NABP meeting next year. As a result, all the NABP voting delegates will vote on Frank Whitchurch or a representative from Louisiana for the District VI representative on the NABP Executive Committee. The last time Kansas was represented on the NABP Executive Committee was when Vicki Schmidt served in the position.

Nancy Kirk – Ms Kirk did not have anything to report.

Michael Coast – Mr. Coast thanked the staff for their hard work. He asked about the “on-duty” boards. Staff said they were not current. The Board would like to change the statute to remove the “on-duty” boards and replace them with the posting of the technician registration cards. Mr. Forbes will draft the statute change. The Legislative Task Force report will be given at the December Board meeting.

JoAnne Gilstrap – Ms. Gilstrap thanked everyone for the hard work that has been done. Ms. Gilstrap requested Ms. Billingsley provide an updated list of regulations under revision and where they all are in the process. Ms. Gilstrap asked about the newsletter and suggested some current topics would be: new incident report, inventory for PIC changes, and not to take back PSE products. Joanne inquired about the funds held back for an IT improvement. Whitchurch suggested that we set a deadline to approve the program and implement ASAP as it had been almost 5 years in the study phase

Staff Reports

Strategies – Melissa Martin began to read the Strategy papers for the Board's review and additions. Ms. Billingsley was added to the Legislative Task Force strategy to contact Representative Don Hill and Senator Vicki Schmidt by Wednesday, October 1, 2008. Ms. Martin stopped to allow Ms. Morris to give her report.

Technology Update – Christina Morris presented information on the technology we are reviewing. The office reviewed software from Sanswrite and saw a presentation.

Newsletters – Christina Morris presented information to the Board about the options available in the newsletter. If Kansas would utilize the E-Newsletter the Board would have a mechanism to communicate frequently and rapidly with the pharmacies and pharmacists. The savings could be redirected into another line item for other expenses. The Board consensus was to move forward to E-Newsletter.

Recess: Ms. Gilstrap declared a break for 20 minutes

Reconvene: Ms. Gilstrap reconvened the meeting at 12:15pm

Strategic Planning – Evelyn Eubank

Ms. Eubank talked about finding more time in the meeting to do planning. Some ways are to have flexible time limits, use a "parking lot" to capture items for later discussion, and to write strategies as we go, and to review the new strategies and parking lot at the end of the meeting. Ms. Eubank had some suggestions for continued improvement.

- Reconfigure the room for better visibility (public enters from the back) and better hearing.
- Use technology to visually show what agenda item is in discussion and place the parking lot on the screen as a visual reminder.
- "Planning for Action" was presented as a tool. Before leaving an agenda item, it is very important to bring every issue to resolution or action.
- An Execution Map puts all the Strategies on one page for visualization of progress. Execution Maps need to show only milestones and be updated after every meeting.
- The Board should plan a strategic planning meeting every year to plan for the year and orient new board members as to meeting structure. *Strategic Planning and Process Management* will be a new strategy.

Ms. Eubanks talked some about the meeting on October 22, 2008 and what the Board will accomplish.

Strategies – Melissa Martin read the Strategy papers for the Board's review and additions. The detailed strategies are:

- Legislative Task Force. Ms. Kirk and Ms. Braman asked to be added to this task force
- Disaster Planning Task Force
- Budget Updates

- Criminal Background Checks. Mr. Forbes was added to the task force as well as a representative from KU School of Pharmacy
- Internet Prescribing. Jim Kinderknecht was added to this strategy
- Telepharmacy Hospital Regulation Task Force. Mr. Forbes was added to the task force
- Continuing Education Task Force
- Institution Drug Room
- Physical Counts on all Hydrocodone – Yearly inventory on all controlled drugs with actual counts on all hydrocodone products and schedule IIs
- Telepharmacy Regulations
- DEA E-prescribing comments
- Foreign Graduate Regulation
- Utilization of Unused Medications Forms
- Schedule BZP, N-Benzylpiperazine
- Electronic Newsletter
- Technology – new software
- Strategic Planning and Process Management

Staff Reports

Randy Forbes – No report.

Debra Billingsley – Ms. Billingsley has been working with the Barb Woods on the law book for KPhA. Ms. Billingsley said they had located the wording for the intern to be able to dispense controlled substances and will send it to Mr. Forbes.

Update Ongoing Strategies

- InstyMeds - The Board discussed that InstyMeds had come into the state without authorization. Dr. Arck said the Board staff would investigate.
- Meth Precursor – completed the first meeting and the next meeting is scheduled for October 7, 2008. Report on the pilots will be on October 22, 2008
- PMP Advisory - completed the first meeting and the next meeting is scheduled for October 9, 2008. Ms. Braman and Ms. Morris will use the matrix to survey the listed states.

Parking Lot

Reyne Kenton reviewed the parking lot with the Board.

- PMP Rotation of terms (PMP Advisory Committee needs to address)
- Safety Net dispensers (PMP Advisory Committee needs to address)
- Synchronization of staffing with new programs (Budget needs to address)
- Change in regulations/statutes on E-Prescribing – can be address in December
- Compounding – Update in December
- Classification of pharmaceutical services – table until March 2009.

Adjourn: Ms. Gilstrap adjourned the meeting at 1:53pm.
