Case No. 20-226

SUMMARY ORDER

NOW, on this 30th day of July 2020, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Emily Barnett (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On July 16, 2020, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In her S-150, Applicant disclosed comparatively recent charges of assault and DUI in 2016. Applicant's personal statement, court records, rehabilitation papers, and letters of reference documented that though Applicant was not yet officially released from serving her pre-trial court diversion for the recent charges, she had been successful in completing counseling for alcohol use disorder.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

4. Applicant's alcohol usage and assault actions, the diversion of which she has not yet been released from by the court, are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

5. Applicant's moral fitness and maturity are compatible with Pharmacy Technician registration under appropriate supervision with awareness of past conduct

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of her court diversion agreement;
- Applicant must notify the Board of any change in or completion of her diversion status within 10 days of the change;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
