Dear Marilyn Beckmon:

The Kansas State Board of Pharmacy has concluded its audit of continuing education for your recent renewal and determined that you are noncompliant. Please read the enclosed Summary Order in its entirety, which includes assessment of a fine and mandatory additional continuing education. This discipline will be reported to the National Association of Boards of Pharmacy and all future license verifications will reflect this discipline.

According to KSA 65-1627h, the Board is required to recoup the costs of administrative hearings when the decision is adverse to the licensee. These costs may include charges for services rendered by the Board's disciplinary counsel, an administrative law judge, and, if applicable, a court reporter.

If you have questions, please email pharmacy.compliance@ks.gov and reference your case number.

Sincerely,

SUMMARY ORDER

NOW on December 13, 2019, comes before the Kansas State Board of Pharmacy through its Executive Secretary (hereinafter referred to as the "Board") the matter of the license renewal application of Marilyn Beckmon (hereinafter referred to as "Respondent") to engage in the practice of pharmacy in the state of Kansas.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the provisions of the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board enters this Summary Order in the above-captioned matter. After reviewing the renewal materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions, and order:

FINDINGS OF FACT

1. On or around 6/24/2019, Respondent submitted a renewal application to engage in the practice of pharmacy in the State of Kansas.
2. In the renewal application, Respondent requested to renew the license on active status.
3. At the end of the renewal application, Respondent agreed to the following statement prior to submitting the completed renewal application: "I hereby attest that I have completed all continuing education hours required by law to renew my license."

4. Respondent's renewal application was selected for an audit to provide proof of Respondent's continuing education certificates or a transcript of completion of required hours.

5. Respondent provided proof of 27.5 hours of continuing education to renew Respondent's pharmacy license.

6. Respondent was not eligible for obtaining prorated hours since Respondent was continuously licensed to practice for the entire biennial licensure period.

CONCLUSIONS OF LAW

7. Pursuant to K.S.A. 65-1627(a)(9), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent failed to comply with the continuing education requirements of the Board for license renewal.

8. Pursuant to K.A.R. 68-1-1b, 30 hours of continuing education shall be required for renewal of a pharmacist license during each licensure period, which must be obtained in the two-year licensure period ending on the June 30 expiration date of each license.

9. Pursuant to K.S.A. 65-1627(a)(1), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent renewed or attempted to renew a license by false means, including misrepresentation.

10. Pursuant to K.S.A. 65-1658, in addition to any other penalty imposed by the Pharmacy Practice Act, the Board may assess a civil fine for a violation of K.S.A. 65-1627(a), in an amount not to exceed \$5,000 for each violation.

11. Respondent was required to provide proof of completion of 30 hours of continuing education earned between July 1, 2017 and June 30, 2019.

12. By only providing proof of completion of 27.5 hours of continuing education, Respondent failed to complete the required 30 hours of continuing education for renewal of Respondent's license, in violation of K.S.A. 65-1627(a)(9).

13. Respondent falsely attested on the renewal application that Respondent had completed all continuing education hours required by law to renew Respondent's license, in violation of K.S.A. 65-1627(a)(1). Though material, the Board makes no finding about whether Respondent's misrepresentation was intentional.

14. The role of the Board is to protect the citizens of Kansas. The Board regards the failure to comply with the continuing education requirements for licensure as a serious issue. Given the number of home-study, web-based, and live programs available, achieving the 30 hours required each biennial renewal period cannot be viewed as a burden. Without continued investment in pharmacy education, the vision of quality pharmacy providers in Kansas will not be met. In order to provide safe, effective, and high quality healthcare for Kansas patients, the practice of pharmacy requires lifelong improvement and education.

ORDER

Based on the foregoing findings of fact and conclusions of law, the Board orders the following:

For Respondent's violation of K.S.A. 65-1627(a)(1) and (9), a fine is assessed in the amount of \$100 for each hour of missing or falsified continuing education, with a minimum of \$500. **Respondent is ordered to pay the \$500 fine by check or money order within 30 days of the date of this Order.**

Furthermore, an additional four hours of continuing education will be required for each hour of missing or falsified continuing education. **Respondent shall complete 10 hours of additional continuing education and provide proof of completion to the Board within 30 days of the date of this Order.** Completion of these hours shall not count toward Respondent's next continuing education renewal requirement.

Respondent is hereby notified as follows:
