Case No. 22-209

SUMMARY ORDER

NOW, on this 22nd day of August, 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Alexa Bradford, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On June 7, 2022, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In conjunction with Applicant's Application, Applicant disclosed a theft charge in Junction City and a disorderly conduct charge in Salina, for which she completed diversion.

4. On June 10, 2022, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

5. On or about July 5, 2022, the Board received the requested documentation, which indicated Applicant completed a 12-month diversion for a March 2017 misdemeanor theft charge, and pleaded guilty and served another 12-month diversion for an April 2018 criminal deprivation of property charge, for which a harassment by telecommunication device charge was dismissed.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(vvv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

4. Applicant's repeated and somewhat recent theft offenses are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3). Pharmacy technicians have significant access to personal identity, health, and financial information, as well as drugs with high street value. As a result of Applicant's theft offenses, granting of Applicant's Application warrants increased oversight and supervision.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a one-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of her pharmacy technician registration;
- Applicant must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
