RE: *In the Matter of Carmalita Brown*
Case No. 23-164

Dear Carmalita Brown:

The Kansas State Board of Pharmacy has concluded its audit of continuing education for your recent renewal and determined that you are noncompliant. During the audit, the Board sent repeated requests for documentation to your mailing and email address of record and received no response. As a result, your pharmacy technician registration is being revoked. Please read the enclosed Summary Order in its entirety, which provides details about the violations and revocation that will be reported to the National Association of Boards of Pharmacy.

If you disagree with the findings of fact, you have the right to request a hearing. Instructions for filing a written request are included under the "Notices" section of the order. Hearings are held before the full Board during their regularly scheduled meetings.

According to KSA 65-1627h, the Board is required to recoup the costs of administrative hearings when the decision is adverse to the licensee. These costs may include charges for services rendered by the Board's disciplinary counsel, an administrative law judge, and, if applicable, a court reporter.

If you have questions, please email pharmacy.compliance@ks.gov and reference your case number.

Sincerely,

Kansas State Board of Pharmacy

enc: Summary Order

6. On or about February 27, 2023, the Board sent an email to Respondent's address of record requesting this information.

7. On or about March 6, 2023, the Board sent Respondent a final letter and email to Respondent's address of record requesting a response by March 13, 2023.

8. To date, the Board has not received any response from Respondent regarding the continuing education audit.

CONCLUSIONS OF LAW

9. Pursuant to K.S.A. 65-1663(f)(1), the Board may limit, suspend or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground, which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

10. Pursuant to K.S.A. 65-1627(a)(9), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent failed to comply with the continuing education requirements of the Board for license renewal.

11. Pursuant to K.S.A. 65-1627(a)(15), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent failed to furnish the board, its investigators or its representatives any information legally requested by the Board.

12. Pursuant to K.A.R. 68-5-18, 20 hours of continuing education shall be required for renewal of a pharmacy technician registration during each registration period, which must be obtained in the two-year registration period ending on the October 31 expiration date of each registration.

13. Pursuant to K.S.A. 65-1658, in addition to any other penalty imposed by the Pharmacy

Practice Act, the Board may assess a civil fine for a violation of K.S.A. 65-1627(a), in an amount not to exceed \$5,000 for each violation.

14. Respondent was required to provide proof of completion of 20 hours of continuing education earned between September 1, 2020 and October 31, 2022.

15. By only having 1 hours of continuing education, Respondent failed to complete the required 20 hours of continuing education for renewal of Respondent's pharmacy technician registration in violation of K.A.R. 68-5-18.

16. Respondent's failure to supply the Board with the requested documentation regarding proof of continuing education is a violation of K.S.A. 65-1627(a)(15) and a basis to revoke Respondent's Kansas pharmacy technician registration.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent's Registration is hereby REVOKED.
