Case No. 23-319

SUMMARY ORDER

NOW, on this 11th day of September 2023, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Camellia Bugh (“Respondent”).

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the investigation materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. The Board has issued Respondent Pharmacy Technician Registration Number 24-116547 authorizing Respondent to perform the functions of a pharmacy technician in the State of Kansas (“Respondent’s Registration”).

2. On or about May 6, 2023, the Board received information regarding a May 2023 misdemeanor driving under influence of alcohol or drugs, liquor, purchase/possess/consume by minor <18yrs, and transporting an open container offenses against Respondent.

3. On May 8, 2023, the Board sent a letter to Respondent’s address of record requesting a completed Personal History Form S-150 (“S-150”), as well as certified copies of the court pleadings from the case.

4. On June 30, 2023, the Board received the requested documents from Respondent, which indicated Respondent was seeking a diversion agreement for the offense and had already completed several steps.

5. On July 30, 2023, the Respondent emailed the Board requesting 60 days to provide the court documents as the court proceedings had not yet concluded.

6. On August 4, 2023, the Board received the requested court documents which indicated Respondent had entered into a 12-month diversion agreement for the offense.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(vvv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

4. Respondent's DUI and open container offenses are unprofessional conduct likely to harm the public and a basis to place Respondent's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3). Furthermore, since Respondent has just commenced the 12-month diversion agreement, Respondent is unable to yet show rehabilitation from the recent offense.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent's Registration is hereby placed on a 2-year probationary status. The terms of Respondent's probation are as follows:

- Respondent must continue compliance with the terms of their court diversion agreement;
- Respondent must notify the Board of any change in their diversion status within 10 days of the change;
- Respondent must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Respondent must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Respondent must respond to the Board's regular check-in requests;
- Respondent must inform employers of the probationary status of her pharmacy technician registration;
- Respondent must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
