Case No. 21-065

SUMMARY ORDER

NOW, on this 14th day of July 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Michael Burbank, (“Applicant”), for application for registration as a pharmacy technician in the State of Kansas.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On April 5, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “YES” to the following question on his application: *Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application directs that if the applicant answers YES, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. On his Form S-150, Applicant disclosed charges of aggravated assault, aggravated endangerment of a child, and criminal discharge of a firearm in 2019, as well as a DUI charge from 2009 and a 2006 minor in possession charge. Applicant stated successful completion of diversion agreements and subsequent dismissals of charges for all incidents, and supplied the court documents supporting these stated outcomes. Applicant noted acknowledgement of his wrongdoings, the impact they had had on himself and others, the personal growth experienced since the time of the incidents, and fourteen years of experience relating to pharmacy.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct includes conduct likely to harm the public.

4. Applicant's past criminal offenses constitute unprofessional conduct and are a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3), as they carry the potential to place the pharmacy community at risk if not known and carefully monitored.

5. To prevent harm, the issuance of any registration to Applicant should be carefully supervised and scrutinized to ensure such protection of the public.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of his pharmacy technician registration;
- Applicant must obtain the signature of his pharmacist-in-charge (PIC) documenting knowledge of his probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
