Case No. 21-109

**SUMMARY ORDER OF DENIAL**

NOW, on this 7th day of October 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Alexis Cox (“Applicant”), for application for a Kansas pharmacy technician registration.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On March 29, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “YES” to the following question on her application: *Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application instructs that if the applicant answers “YES”, he or she must include a Form S-150: Personal History (“S-150”).

3. On or about April 15, 2021, the Board received Applicant's background check.

4. Applicant's S-150, the accompanying court documents, and her background check together outlined criminal charges spanning 2014 through 2019. The charges included aggravated domestic battery incidents, several instances of criminal damage to property, and multiple DUIs. Applicant completed various diversions and probations for these offenses, the most recent of which was successfully completed in June 2020. Applicant was convicted of her DUI charge from June 2019.

5. Applicant's S-150 included no letters of reference nor character recommendations. However, Applicant reported on her S-150 her current sobriety for the last two years, completion of the first level in a wellness and recovery program, and involvement in group counseling.

#### CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1663, the Board may deny an application for issuance of any registration as a pharmacy technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may deny an application of any pharmacist who has been found guilty of unprofessional conduct or professional incompetency.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct includes conduct likely to deceive, defraud, or harm the public.

4. Applicant's criminal offense history demonstrates a pattern and practice of breaking laws, failure to follow clear rules, and endangering the public which has the potential to place the public at risk in the pharmacy setting. Applicant's repeated criminal offenses

including DUI and felony incidents are bases to deny Applicant's Application pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application is hereby DENIED.
