Case No. 23-012

SUMMARY ORDER

NOW, on this 13th day of January, 2023, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Todd Crawford, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On November 10, 2022, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. In conjunction with Applicant's Application, Applicant provided a Form S-150 indicating he had been charged a July 2021 criminal offense and providing several letters of recommendation.

4. On November 15, 2022, the Board mailed Applicant a letter requesting certified copies of the court pleadings from the case.

5. On or about November 22, 2022, the Board received the requested documentation indicating Applicant pleaded no contest to the charge and is currently serving a 12-month probation.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(vvv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

4. Applicant's recent offense is unprofessional conduct likely to harm the public and his ongoing probation shows insufficient rehabilitation to warrant the public trust at this time and is a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-YEAR probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of their probation;
- Applicant must notify the Board of any change in their court status within 10 days of the change;
- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must respond to the Board's regular check-in requests;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of their pharmacy technician registration;
- Applicant must obtain the signature of their pharmacist-in-charge (PIC) documenting knowledge of her probationary status to the Board; and
