Case No. 23-262

SUMMARY ORDER

NOW, on this 20th day of June 2023, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Madeline Gonzalez-Williams, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On March 7, 2023, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “No” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This

includes misdemeanors.” The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. The Board received information regarding the following offenses filed against Applicant: October 2015 Liquor, Purchase/possess/consumption alcoholic liquor/CMB by minor offense; April 2017 Possession of marijuana and Battery, Physical contact in rude, insulting, angry manner offenses; and June 2017 Violate protection order, Abuse order.

4. On March 8, 2023, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

5. On or about April 11, 2023, the Board received the requested documentation, which confirmed Applicant completed diversions for the October 2015 minor in possession of alcohol offense, as well as the April 2017 possession and battery offenses.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the state board of pharmacy.

2. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action against the license of any pharmacist upon a finding that the licensee has obtained, renewed or reinstated, or attempted to obtain, renew or reinstate, a license by false or fraudulent means, including misrepresentation of a material fact.

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(vvv)(7), unprofessional conduct means conduct likely to deceive, defraud or harm the public.

6. Applicant's answer of "no" to the disciplinary question(s) on Applicant's Application was a misrepresentation of material fact on an application and a basis to take action against Applicant's Application as a violation of K.S.A. 65-1627(a)(1).

7. Applicant's possession offenses demonstrate a lack of ability to follow the rules and comply with laws and requirements, which is conduct that may harm the public and therefore unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3). Also the age of Applicant at the time of the offenses and recency of the completion of the most recent diversion agreement suggest a need for additional supervision and oversight in the pharmacy setting.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a one-year probationary status and payment of a fine to the Board in the amount of \$200.
