Case No. 19-129

SUMMARY ORDER

NOW on this 9th day of August 2019, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Melinda Reindl, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On April 1, 2019 the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “Yes” to the following question on her application: Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.

3. In her application, Applicant provided an S-150 Personal History form noting a 2013 felony conviction, and provided the accompanying court documentation, certificates of completion, evidence of treatment, and proof of community involvement. Applicant completed probation in 2015.

4. Thereafter, the Board's Individual License Evaluator conducted a phone interview with Applicant. Evaluator noted that Applicant sought treatment and provided documentation of such, and that Applicant's personal report and letters of recommendation showed current moral fitness compatible with Pharmacy Technician registration. Applicant's probation was terminated in 2015, and Evaluator noted that, though serious in nature, there appears to be no evidence of habitual offending and little threat of recidivism or potential impact to the pharmacy profession.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any felony or misdemeanor of gross immorality or moral turpitude, and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Applicant has completed all court-mandated requirements and was released from probation in 2015. Applicant has not had any intervening criminal history and has demonstrated an intent to fully rehabilitate from her past actions. However, the nature of Applicant's past

felony conviction could pose a risk to the public and warrants a degree of monitoring by the Board. These are adequate bases to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(2).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of her pharmacy technician registration;
- Applicant must obtain the signature of her pharmacist-in-charge (PIC) documenting knowledge of his probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
