Case No. 21-212

SUMMARY ORDER

NOW, on this 12th day of November 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Ryan Greenwald, (“Applicant”), for application for registration as a Kansas Pharmacy Technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On September 27, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “YES” to the following question on his application: *Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“S-150”).

3. In his S-150, Applicant was forthcoming about his criminal background and listed a history of charges spanning from 2004 through 2019 for offenses including DUI, possession of drug paraphernalia, theft, and battery. Applicant noted acknowledgement of wrongdoing and acceptance of responsibility for his actions. Applicant also included details and court records indicating he had completed restitution and/or rehabilitation for his past incidents. Also included were a letter of reference and Applicant's description of his present moral fitness and professional goals.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1663, the Board may limit any registration as a pharmacy technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct includes conduct likely to harm the public.

4. Applicant's incidences of driving under the influence, possession of drug paraphernalia, theft, and battery are bases to place in a probationary status any registration granted to Applicant pursuant to K.S.A. 65-1627(a)(3), as the potential harm of repeatedly breaking laws and endangering the public may place the pharmacy community at risk. Furthermore, given that Applicant's most recent infractions are less than two years old, this warrants additional scrutiny.

5. To prevent harm, the issuance of any registration to Applicant should be carefully supervised and scrutinized to ensure the protection of the public.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED, SUBJECT TO A 2-YEAR PROBATIONARY STATUS. The terms of Applicant's probation are as follows:

- Applicant must notify the Board of any change in his court status within 10 days of the change;
- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of his pharmacy technician registration;
- Applicant must obtain the signature of his pharmacist-in-charge (PIC) documenting knowledge of his probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
