Case No. 22-104

SUMMARY ORDER

NOW on this 18th day of April, 2022 comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Alexander Gregory (“Applicant”), for application for a Kansas pharmacy technician registration.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the investigation materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order:

FINDINGS OF FACT

1. Applicant was previously issued pharmacy technician registration 14-16191 by the Board in April 2014, which expired for nonrenewal on October 31, 2021.
2. On February 4, 2022, the Board received Applicant’s new application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
3. As part of the application, Applicant answered “No” to the question: “Have you ever been convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes

misdemeanors.” The application directs that if the applicant answers yes to any question, the applicant must attach a Form S-150: Personal History.

4. The Board received information regarding an August 2014 driving under the influence of alcohol or drugs offense, as well as a motion to rescind diversion in 2016.

5. On February 23, 2022, the Board sent a letter to Applicant’s address of record requesting a Personal History Form S-150, as well as certified copies of the court pleadings from each case.

6. On March 10, 2022, the Board received the requested documents which detailed that Applicant was charged with operating under the influence, refusal to submit to a preliminary breath test, failure to yield when turning left, and failure to yield to a pedestrian in a controlled intersection in August 2014. Applicant was granted and completed a diversion. Applicant also indicated he never previously disclosed this information to the Board.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the pharmacy act of the state of Kansas or any other rules or regulations of the state board of pharmacy.

2. That pursuant to K.S.A. 65-1663, the Board may take action on an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action against the license of any pharmacist upon a finding that the licensee has obtained, renewed or reinstated, or attempted

to obtain, renew or reinstate, a license by false or fraudulent means, including misrepresentation of a material fact.

4. Applicant's answer of "no" to the disciplinary question(s) on Applicant's Application was a misrepresentation of material fact on an application and a basis to take action against Applicant's Application as a violation of K.S.A. 65-1627(a)(1).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED but Applicant is ordered to pay a fine to the Board in the amount of \$500. Applicant has 30 days from the date of this order to pay the fine and the pharmacy technician registration shall be issued upon receipt.
