Case No. 09-71

AGENCY ORDER

SAMANTHA HAGGARD (the "Respondent") is currently authorized to function as a pharmacy technician in the State of Kansas by reason of the Kansas Board of Pharmacy (the "Board") having issued her Registration No. 14-08806.

It has come to the attention of the Board's Investigative Member that Respondent had knowledge of a drug diversion by a fellow employee and failed to report the theft to her employer..

After considering the foregoing, the Board's Investigation Member, in accordance with the authority granted to her by the Board, enters the following agency order.

I. FINDINGS OF FACT

For purposes of this order, the Board's Investigation Member makes the following findings of fact:

1. The Board has previously issued Respondent Registration No.

14-08806 which entitled her to function as a pharmacy technician in the State of Kansas ("Respondent's Registration").

2. That the Respondent was employed at Walgreens Pharmacy in Salina, Kansas.

3. While employed, the Respondent has knowledge that a fellow employee diverted drugs from the Respondent's employer and failed to report the theft to said employer.

II. CONCLUSIONS OF LAW AND FACT

For purposes of this order, the Board's Investigation member makes the following conclusions of law and fact:

1. That the Respondent was originally issued a registration number 14-08806 on April 9, 2009 pursuant to K.S.A. 65-1663.

2. That pursuant to K.S.A. 65-1663 (e)(1) the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. That the Board may take action against the license of a pharmacist for violating any provision of the federal uniform controlled substance act or any rule and regulation adopted under such act. K.S.A. 65-1627(5).

4. That pursuant to 21 CFR 1301.91 reports of drug diversion by fellow employees is a necessary part of an overall security program and serves the

public interest at large. It is the position of the DEA that an employee who has knowledge of a drug diversion from his employer by a fellow employee has an obligation to report such information to a responsible security official of the employer. A failure to report information of drug diversion will be considered in continuing to allow an employee to work in a drug security area.

ORDER

Based upon the foregoing findings and conclusions, Respondent's Registration is hereby revoked.

II. NOTICES

The Respondent is hereby notified as follows:

1. The Respondent may request a hearing pursuant to the Kansas State Administrative Procedure Act by filing a written request with the Kansas Board of Pharmacy, 900 SW Jackson, Ste. 560, Topeka, Kansas 66612-1231 within fifteen (15) days after service of this Order.

1. If a hearing is not requested as described above, the Order Revoking the Respondent's Registration, as a pharmacy technician shall become a final order of the Board, effective upon the expiration of the time to request a hearing.

2. Within fifteen (15) days after entry of a final agency order, either party may file a petition for reconsideration pursuant to K.S.A. 77-529.
