**MODIFICATION OF CONSENT ORDER**

The application of Randy Hilgers, R.Ph. (“Licensee”) to terminate the probationary status of Licensee’s pharmacist license, established by the Consent Order entered in this case on June 9, 2010 (the “Consent Order”), was heard before the Kansas Board of Pharmacy (the “Board”) on June 6, 2013. Mr. Hilgers appeared in person and was represented by his attorney Darin Conklin. Christina Morris appeared as Disciplinary Counsel for the Board.

Mr. Hilgers presented evidence in support of his application. After hearing the evidence presented, the Board determined:

1. That Licensee presented sufficient evidence for the Board to conclude that the probation period should be terminated upon the receipt by the Board of a letter of release from KsPRN.
2. Licensee can begin working by himself effective immediately.

IT IS THEREFORE ORDERED that the Licensee’s application to remove the probationary status from his pharmacist license shall be approved upon fulfilling the aforementioned requirement of this Order, and that the provisions of the Consent Order shall be modified by this Modification of Consent Order.
