Case No. 22-285

SUMMARY ORDER OF DENIAL

NOW on this 16th day of December, 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Reyna Iniguez (“Respondent”), for renewal of Respondent’s pharmacy technician registration.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order of Denial in the above-captioned matter. After reviewing the investigation materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order:

FINDINGS OF FACT

1. The Board originally issued Respondent Registration No. 24-112785 on September 4, 2020, which entitles Respondent to operate as a pharmacy technician in the State of Kansas (“Respondent’s Registration”).
2. On October 17, 2022, the Board received Respondent’s application for renewal of Respondent’s pharmacy technician registration in the State of Kansas (“Respondent’s Renewal Application”).
3. As part of the application, Respondent answered “No” to the question: “Have you passed a pharmacy technician certification exam.” The application directs that if the applicant

answers yes, the applicant must indicate the organization the certification was received from and upload a copy of the certificate.

4. On October 17, 2022, the Board sent an email to Respondent's address of record requesting proof of completion of a national certification examination.

5. On October 24, 2022, the Board sent a final request letter to Respondent's address of record.

6. To date, the Board has not received proof of completion of a national certification examination.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663 the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. That pursuant to K.S.A. 65-1627(a)(8), the Board may take action against the license of a pharmacist if the licensee has violated any of the provisions of the pharmacy act of the state of Kansas or any rule and regulation adopted by the board pursuant to the provisions of such pharmacy act.

3. That pursuant to K.S.A. 65-1627(a)(15), the Board may take action against the license of a pharmacist if the licensee has failed to furnish the board, its investigators or its representatives any information legally requested by the board.

4. That pursuant to K.S.A. 65-1663(a) and (k), every pharmacy technician registered after July 1, 2017 shall be required to pass a certified pharmacy technician examination approved by the Board within the period or periods of time specified by the Board after becoming registered.

5. That pursuant to K.A.R. 68-5-17, each pharmacy technician shall be required to pass either the Pharmacy Technician Certification Board (PTCB) certification examination or the National Healthcareer Association (NHA) ExCPT certification examination before the first renewal of the pharmacy technician's registration.

6. Respondent's Registration was issued on September 4, 2020. Therefore, Respondent was registered after July 1, 2017 and required to pass a Board-approved certification examination prior to renewal.

7. Respondent's Renewal Application was received by the Board but Respondent failed to provide proof of passage of a Board-approved certification examination.

8. Respondent's failure to supply the Board with the requested documentation is a violation of K.S.A. 65-1627(a)(15) and a basis to deny Respondent's Application.

9. Respondent's failure to submit proof of completion of a Board-approved certification examination prior to renewal is a violation of K.S.A. 65-1663 and K.A.R. 68-5-17, and is a basis to deny Respondent's Application pursuant to K.S.A. 65-1627(a)(8).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Respondent's Renewal Application is hereby DENIED.
