Case No. 04-52

FINAL ORDER

Now on this 12th day of November 2004 the above-referenced matter comes on for hearing before the Kansas Board of Pharmacy's Presiding Officer Frank Whitchurch. Respondent appears in person.

The Presiding Officer takes notice of the Summary Order issued September 29, 2004 wherein Respondent's license was placed on inactive status until he provided sufficient proof of completion of 3 CEU's for the renewal period and wherein Respondent was assessed a \$200 late fee to be paid prior to renewal of Respondent's license:

The Presiding Officer further takes notice that following the issuance of the Summary Order, Respondent timely requested a hearing.

Respondent presents statements to the effect that he didn't not receive the CEU audit letter although his mailing address as reflected in the Board's records is correct and previously he has received mailings from the Board at that address.

Respondent presents verification that he has completed the requisite CEU's.

Respondent further addresses questions and comments of the Presiding Officer.

Whereupon the Presiding Officer then deliberates in private.

Whereupon, the Presiding Officer finds no evidence to assume that the United States Postal Service is not a reliable means of communication with licensees, including

Respondent, and that there is no legal requirement that communications to licensees, including Respondent, be sent by certified mail, upholds the findings of fact and conclusions of law contained in the Summary Order in relation to the \$200 late fee assessment.

IT IS THEREFORE ORDERED that Respondent remit the \$200 late fee assessment within 30 days of the date indicated in the below Certificate of Service. Upon receipt of such assessment, Respondent's license shall be renewed.

IT IS SO ORDERED.

Debra Billingsley, Executive Secretary
On behalf of Presiding Officer Frank Whitchurch
