Case No. 21-220

AMENDED SUMMARY ORDER

NOW, on this 25th day of May 2022, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Cody Jones, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Amended Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On September 24, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).

2. Applicant answered “NO” to the following question on his application: *Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.* The application directs that if the applicant answers “YES”, the applicant must attach a Form S-150: Personal History (“Form S-150”).

3. As part of the application, Applicant certified that the information he provided was true, correct, and complete to the best of his knowledge. Applicant's Form S-150 statement had been left blank.

4. On or about October 1, 2021, the Board received information regarding criminal charges that had been laid against Applicant in November 2018 for criminal damage to property and in December 2018 for burglary.

5. On October 1, 2021, the Board mailed Applicant a letter requesting a completed Form S-150, as well as certified copies of the court pleadings from each case.

6. On October 12, 2021, the Board received the requested documentation, as well as several letters of reference and a shoplifting misdemeanor class completion certificate. The documents indicated that Applicant is currently under pretrial diversion for the aforementioned charges. Though Applicant's personal statement and court records gave no details as to the circumstances surrounding either charge, Applicant demonstrated consciousness of wrongdoing.

7. On or about November 12, 2021, the Board issued a Summary Order granting Applicant's Application subject to a two-year probationary period and payment of a \$300 fine for a violation of K.S.A. 65-1627(a)(1).

8. To date, Applicant has not paid the fine and has not yet been issued a registration.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1658, the Board may assess a civil fine not to exceed \$5,000, after notice and an opportunity to be heard, to any registrant for violation of the Pharmacy Act of the State of Kansas or any other rules or regulations of the State Board of Pharmacy.

2. Pursuant to K.S.A. 65-1663, the Board may take action on application for issuance of any registration as a pharmacy technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action against the license of any pharmacist upon a finding that the licensee has attempted to obtain a license by false or fraudulent means, including misrepresentation of a material fact.

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct includes conduct likely to deceive or harm the public, or fraud in securing a registration.

6. Applicant's answer of "NO" to the disciplinary question on his Application and his having certified as to its completeness, when in fact had criminal charges from 2018, was a misrepresentation of material fact upon application and a basis to impose a civil fine against Applicant's Application as a violation of K.S.A. 65-1627(a)(1).

7. Applicant's criminal incident and his misrepresentation of such were instances of unprofessional conduct, and bases to place any license issued to Applicant in a probationary status pursuant to K.S.A. 65-1627(a)(3).

8. To prevent harm, the issuance of any registration to Applicant should be carefully supervised and scrutinized to ensure the protection of the public.

9. That pursuant to K.S.A. 65-1627(a)(16), the licensee has violated or failed to comply with any lawful order or directive of the board.

10. Applicant's failure to pay the required fine is a violation of K.S.A. 65-1627(a)(16).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby DENIED.
