Case No. 17-222

SUMMARY ORDER OF DENIAL

NOW on this 6 day of March, 2018, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Stefanie Kanalulu, ("Applicant"), for her application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Executive Secretary enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

FINDINGS OF FACT

For purposes of this order, the Board's Executive Secretary makes the following findings of fact:

1. On or about October 13, 2017, the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").
2. Applicant answered "No" to the following question on her application: Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in

any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.

3. On August 28, 2017, the Board received a background report from the Kansas Bureau of Investigation (“KBI”), indicating that Applicant had been arrested for battery in 2005; arrested for and convicted of driving under the influence of alcohol in 2009; arrested for driving under the influence of alcohol in 2010; arrested for battery in 2013; arrested for and convicted of petty theft in 2014; arrested twice for driving under the influence of alcohol in 2014; arrested for battery in 2014; arrested for fraud to obtain aid in 2015; arrested for a probation violation in 2015; arrested for receiving known stolen property in 2016; and arrested for battery, inflicting injury on a child, and conspiracy to commit a crime in 2016.

4. On November 6, 2017, the Board sent Applicant a letter requesting she submit a completed S-150 Form.

5. On December 4, 2017, Applicant requested an extension to provide the S-150 Form.

6. On January 29, 2018, the Board sent Applicant a final letter requesting she submit a completed S-150 Form.

7. Applicant has not responded to the Board’s requests for a completed S-150 Form.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(1), the Board may deny the application of an Applicant who has attempted to obtain, renew, or reinstate a license by false or fraudulent means, including misrepresentation of a material fact.

3. Pursuant to K.S.A. 65-1627(a)(2), the Board may deny the application of an Applicant who has been convicted of a misdemeanor involving moral turpitude or gross immorality or any felony and the Applicant fails to show the Applicant has been sufficiently rehabilitated to warrant the public trust.

4. Pursuant to K.S.A. 65-1627(a)(3), the Board may deny the application of an Applicant who has been found guilty of unprofessional conduct.

5. Pursuant to K.S.A. 65-1626(sss), unprofessional conduct means conduct likely to deceive or harm the public.

6. Pursuant to K.S.A. 65-1627(a)(15), the Board may deny an application from an Applicant who has failed to furnish the board, its investigators or its representatives any information legally requested by the board;

7. Applicant's answer of "No" regarding her previous criminal history is a misrepresentation of a material fact and a basis to deny Applicant's Application pursuant to 65-1627(a)(1).

8. Applicant's convictions for theft and driving under the influence of alcohol, and her failure to show she has been sufficiently rehabilitated to warrant the public trust are bases to deny Applicant's Application pursuant to 65-1627(a)(2).

9. Applicant's arrests for driving under the influence, battery, fraud, theft, probation violation, receiving stolen property, and inflicting injury on a child are unprofessional conduct and bases to deny Applicant's Application pursuant to 65-1627(a)(3).

10. Applicant's failure to respond to the Board's request for a completed S-150 Form is a basis to deny Applicant's Application pursuant to 65-1627(a)(15).

11. Applicant's previous disregard for the law poses a danger to the public in the pharmacy setting, and is a basis to deny Applicant's Application.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby DENIED.
