Case No. 21-312\*

**SUMMARY ORDER**

NOW, on this 11th day of January 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Britanny Kirton, (“Applicant”), for her renewal application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On October 27, 2020, the Board received Applicant’s renewal application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question on her application: “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.” The application instructs that if the applicant answers “yes”, they must attach a Personal History Form S-150 (“S-150”).

3. In her S-150, Applicant fully disclosed and provided supporting court documentation for a misdemeanor conviction on August 18, 2020, based on a 2016 charge of interference with LEO, for giving a false name at a speeding stop during which time her license was already in suspension for previous traffic stops. An additional charge of identity theft had been dismissed. Applicant's accompanying court documents and personal statement indicated that she is currently serving probation, until August 18, 2021, during which she is also to complete 40 hours of community service. Applicant's personal statement indicated knowledge of wrong-doing, acceptance of personal responsibility, and current work towards rehabilitation and betterment of her life situation.

4. The Board received a background report confirming Applicant's disclosure, and further detailing that Applicant has had no other criminal history outside of the traffic stops related to her conviction.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive, defraud, or harm the public.

4. Applicant's deception regarding her identity constitutes unprofessional conduct and as such is a basis to place Applicant's registration in a probationary status pursuant to K.S.A.

65-1627(a)(3). In addition, she is still on court-mandated probation and therefore, unable to show that she has been sufficiently rehabilitated to warrant the public trust at this time.
