RE: *In the Matter of Carrie Koso*  
Case No. 23-102

Dear Carrie Koso:

The Kansas State Board of Pharmacy has concluded its audit of continuing education for your recent renewal and determined that you are noncompliant. Please read the enclosed Summary Order in its entirety, which includes assessment of a fine and mandatory additional continuing education. This discipline will be reported to the National Association of Boards of Pharmacy as a continuing education violation.

If you disagree with the findings of fact, you have the right to request a hearing. Instructions for filing a written request are included under the "Notices" section of the order. Hearings are held before the full Board during their regularly scheduled meetings.

According to KSA 65-1627h, the Board is required to recoup the costs of administrative hearings when the decision is adverse to the licensee. These costs may include charges for services rendered by the Board's disciplinary counsel, an administrative law judge, and, if applicable, a court reporter.

If you have questions, please email [pharmacy.compliance@ks.gov](mailto:pharmacy.compliance@ks.gov) and reference your case number.

Sincerely,

Kansas State Board of Pharmacy

enc: Summary Order

## CONCLUSIONS OF LAW

5. Pursuant to K.S.A. 65-1663(f)(1), the Board may limit, suspend or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground, which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

6. Pursuant to K.S.A. 65-1627(a)(9), the Board may deny, revoke, suspend, or place on probation any pharmacist license upon a finding that Respondent failed to comply with the continuing education requirements of the Board for license renewal.

7. Pursuant to K.A.R. 68-5-18, 20 hours of continuing education shall be required for renewal of a pharmacy technician registration during each registration period, which must be obtained in the two-year registration period ending on the October 31 expiration date of each registration.

8. Pursuant to K.S.A. 65-1627(a)(1), the Board may take action any pharmacist license upon a finding that Respondent renewed or attempted to renew a license by false means, including misrepresentation.

9. Pursuant to K.S.A. 65-1658, in addition to any other penalty imposed by the Pharmacy Practice Act, the Board may assess a civil fine for a violation of K.S.A. 65-1627(a), in an amount not to exceed \$5,000 for each violation.

10. Respondent was required to provide proof of completion of 20 hours of continuing education earned between September 1, 2020 and October 31, 2022.

11. By only providing proof of completion of 18.5 hours of continuing education, Respondent failed to complete the required 20 hours of continuing education for renewal of Respondent's pharmacy technician registration, in violation of K.A.R. 68-5-18.

12. Respondent falsely attested on the renewal application that Respondent had completed all continuing education hours required by law to renew Respondent's Registration, in violation of K.S.A.

65-1627(a)(1). Though material, the Board makes no finding about whether Respondent's misrepresentation was intentional.

13. The role of the Board is to protect the citizens of Kansas. The Board regards the failure to comply with the continuing education requirements as a serious issue. Given the number of home-study, web-based, and live programs available, achieving the hours required each biennial renewal period cannot be viewed as a burden. Without continued investment in pharmacy education, the vision of quality pharmacy providers in Kansas will not be met. In order to provide safe, effective, and high quality healthcare for Kansas patients, the practice of pharmacy requires lifelong improvement and education.
