# **SUMMARY ORDER**

NOW, on this 26th day of January 2021, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Carlene Lear, ("Applicant"), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

## FINDINGS OF FACT

- 1. On May 20, 2020, the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").
- 2. Applicant answered "NO" to the following question on her application: *Have you* been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors. The applicant instructs that if an applicant answers "YES" they must attach a Personal History Form: S-150 ("S-150").

- 3. Though Applicant answered "NO" to the above question, she *did* include an S-150, in which she stated only that she had attached two documents. There was one document attached a two-page, photocopied court record concerning a dismissed 2014 assault charge.
- 4. As part of Applicant's Application, Applicant certified that the information provided was true, correct, and complete, and understood that falsification of the information provided was grounds for denying Applicant's Application.
- 5. On or about June 11, 2020, the Board received background information regarding additional charges laid against Applicant for possession of marijuana in 2014, 2016, and 2018, as well as possession of drug paraphernalia in 2018.
- 6. On July 7, 2020, the Board emailed a letter to Applicant's email address of record requesting a more thorough S-150 detailing all possession charges, as well as certified copies of the court pleadings from each case.
- 7. On or about August 4, 2020, the Board received the requested documentation. Applicant's court documents indicated that the 2014 marijuana possession charge was dismissed, the 2016 marijuana possession charge was reduced to a guilty plea for littering, and Applicant pleaded guilty to the 2018 paraphernalia charge which was closed in December 2019. Neither Applicant's court records nor her personal statement documented the circumstances that led to Applicant's charges, or if she served out any court sentencing other than the payment of fines.
- 8. Applicant submitted no letters of recommendation nor any proof demonstrating rehabilitation since the time of her wrong-doing.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy

technician on any ground which would authorize the Board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

- 2. Pursuant to K.S.A. 65-1627(a)(1), the Board may place in probationary status an application of any pharmacist who has obtained, renewed or reinstated, or attempted to obtain, renew or reinstate, a license by false or fraudulent means, including misrepresentation of a material fact.
- 3. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in probationary status an application of any pharmacist who has been found guilty of unprofessional conduct.
- 4. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public, and/or fraud in securing a registration.
- 5. Applicant's false response to the application question as well as her omission of multiple charges and pleas was a misrepresentation of a material fact and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(1).
- 6. Applicant's paraphernalia possession conviction is a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3), as the recent nature of this resolution has not allowed for ample time for Applicant to demonstrate that she has been sufficiently rehabilitated to warrant the public trust at this time, nor did she provide any documentation or recommendations noting such. Furthermore, her pattern of disregard for rules and strict adherence to the law has the potential to endanger the public in the pharmacy setting without appropriate oversight.
