Case No. 21-023

SUMMARY ORDER

NOW, on this 13th day of April 2021, comes before the Kansas Board of Pharmacy (the “Board”), through its Executive Secretary, the matter of Alexander Lutz, (“Applicant”), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board’s Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order.

FINDINGS OF FACT

1. On February 1, 2021, the Board received Applicant’s application for registration as a pharmacy technician in the State of Kansas (“Applicant’s Application”).
2. Applicant answered “Yes” to the following question(s) on his application:
 - a. “Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.”

- b. “Are you now or have you in the last five years been treated for a drug or alcohol addiction or participated in any substance abuse rehabilitation program?”
 - c. The application directs that if the applicant answers yes, the applicant must attach a Form S-150: Personal History (“Form S-150”).
3. Applicant provided a detailed S-150 Personal History statement and copies of all court documents related to two separate charges of driving under the influence in April and October 2020. Applicant also provided letters of recommendation. Applicant accepted responsibility for his actions, has participated in treatment, and cited a previously unstable domestic situation which has been resolved. Applicant is enrolled in a diversion program and paid fines.

CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.
2. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.
3. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.
4. Applicant’s repeated DUI offenses are bases to place Applicant’s registration in a probationary status pursuant to K.S.A. 65-1627(a)(3), as he is still under the diversion agreement and therefore, unable to show that he has been sufficiently rehabilitated to warrant the public trust at this time.

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:

- Applicant must continue compliance with the terms of any court diversion agreement or further requirements;
- Applicant must notify the Board of any change in his diversion status within 10 days of the change;
- Applicant must notify the Board of any arrest or criminal charge within 10 days of the date of the arrest or charge;
- Applicant must notify the Board of any change in employment within 10 days of the change and obtain Board approval for the change;
- Applicant must inform employers of the probationary status of his pharmacy technician registration;
- Applicant must obtain the signature of his pharmacist-in-charge (PIC) documenting knowledge of his probationary status to the Board; and
- Applicant must comply with all rules and regulations of the Pharmacy Practice Act.
