Case No. 06-27

AGENCY ORDER

JONATHAN A. ZANDERS (the "Respondent") is currently authorized to function as a pharmacy technician in the State of Kansas by reason of the Kansas Board of Pharmacy (the "Board") having issued his Registration No. 14-03442.

It has come to the attention of the Board's Investigation Member that Respondent has been caught and admitted to diverting drugs, including controlled substances, from his employer and dispensing them to another individual.

After considering the foregoing, the Board's Investigation Member, in accordance with the authority granted to her by the Board, enters the following agency order.

I. FINDINGS OF FACT

For purposes of this order, the Board's Investigation Member makes the following findings of fact:

1. The Board has previously issued Respondent Registration No. 14-03442 which entitled him to function as a pharmacy technician in the State of Kansas ("Respondent's Registration").

2. The Respondent has been caught and admitted to diverting drugs, including controlled substances, from his employer and dispensing them to another individual.

II. CONCLUSIONS OF LAW AND FACT

For purposes of this order, the Board's Investigation member makes the following conclusions of law and fact:

1. That the Respondent was originally issued a registration number on April 22, 2005 pursuant to K.S.A. 65-1663.

2. That pursuant to K.S.A. 65-1663 (f) the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

3. That the Board may take action against the license of a pharmacist for violating any provision of the pharmacy act of the state of Kansas or any rules and regulations adopted by the board. K.S.A. 65-1627(8).

4. That the Respondent was dispensing drugs which he was not authorized to do, as he was not licensed as a pharmacist. The definition of a pharmacy technician states that a technician may not perform duties restricted to a pharmacist. The distribution of drugs is limited to pharmacies operating under registration of the Board and shall only be made by a pharmacist pursuant to a prescription. The acts committed by Respondent are a basis for discipline of Respondent's Registration pursuant to the Pharmacy Act, including K.S.A. 65-

1626; K.S.A. 65-1626a; K.S.A. 65-1635; K.S.A. 65-1636; K.S.A. 65-1637; and K.S.A. 65-1646.

II. ORDER

Based upon the foregoing findings and conclusions, Respondent's Registration is hereby revoked.

III. NOTICES

The Respondent is hereby notified as follows:

1. The Respondent may request a hearing pursuant to the Kansas State Administrative Procedure Act by filing a written request with the Kansas Board of Pharmacy, 900 SW Jackson, Ste. 560, Topeka, Kansas 66612-1231 within fifteen (15) days after service of this Order.

2. If a hearing is not requested as described above, the Order Revoking the Respondent's Registration, as a pharmacy technician shall become a final order of the Board, effective upon the expiration of the time to request a hearing.

3. Within fifteen (15) days after entry of a final agency order, either party may file a petition for reconsideration pursuant to K.S.A. 77-529.

4. Within the time limits established in K.S.A. 77-613, either party may seek judicial review of a final agency order, pursuant to said statute. The agency officer designated to receive service of a petition for judicial review is:

Debra Billingsley
Executive Director
Kansas Board of Pharmacy
